Dear Dr. Saxena,

This is with reference to the 10th Meeting of the Task Force to review ongoing colleges supported under DBT-Star College Scheme held on 29th -30th April, 2021. The comments/decisions by the Task Force are as below:

"Dr. Manoj Saxena presented the progress of the College under Star College Scheme for 5 departments i.e. **1.** Botany, **2.** Zoology, **3.** Chemistry, **4.**Electronics and **5.** Mathematics, sanctioned on 16th March, 2018 for a period of three years.

Task Force observed that college took good initiative and extended lot of collaborations with different institutes and other colleges as an outcome of this Scheme. Coordinator emphasized that this Scheme has helped change the outlook of the teachers and they have implemented newer ways to teach students even during the pandemic time; introduced short videos etc that helped the student to understand the concepts better. College has been conducting numerous webinars, online series and lectures by scientists regularly and motivated constantly to upgrade their student quality by providing online lectures and involving the students in various projects. The overall scientific temper of the college was evident from the presentation and their future role was also appreciated by the members.

In view of the above, the Task Force **recommended awarding** the Star Status to the participating departments in the college with one-time non-recurring grant of Rs. 15.00 lakhs (per dept) and recurring grant of Rs. 5.00 lakhs per year per dept, contingency of Rs 1.00 lakhs per year and Travel of Rs 2.00 lakhs per year for a period of three years."

Please send hard copy of the proposal submitted for Star Status via email dated. 15.04.2021. Kindly ensure that proposal should be signed and stamped.

You are also requested to settle the first phase i.e. **"Strengthening Component"**. The documents to be provided pertaining to the final settlement are as below:

Analysis of Colleges which have retained Slot 1 and 2 or which have jumped up by 2-3 position in Ranking:

- **% No. of students selected for Higher Studies - Average percentage is 60-80% and in our college it is only 30%** so Final Year Students should be motivated to pursue higher ed (Micro-Analysis is to be carried out through AAA of each department)
- **% of students placed – Average percentage is 25-30% and in our college it is only 17% so college placement needs to be strengthened for 2021-2022.**
- **% of students receiving full tuition fee reimbursement from Institution Funds – Average percentage is 10-40% and in our college it is only 3%**
- **% of students receiving full tuition fee reimbursement from the State and Central Government - Average percentage is 20-30% and in our college it is only 2%**

Ways to Improve College Rank Next Year

- Improve Research Output
- **College Placement is less than 20% of final year students - It should be increased to 30% - 40% for the Year 2021-2022**
- **No. of students selected for Higher Studies is only 30 % of our college – All Departments should make efforts to motivate final year students to take up higher studies so t increased to 50% - 60% for the Year 2021-2022**
- **All Eligible SC, ST, OBC, PwD students should avail scholarships and freeships offered by Government** (State and Central). In past three years, only 2-3 % of the total students
- **All Eligible students should avail scholarships and freeships offered by the College (Special Drive should be imitated)**
- **International Conferences, Seminars, Webinars should be organized for improving perception.**

I am glad to share that out of the 42000+ colleges (from all over India) which participated in the INDIA TODAY MDRA 2021 survey for Best Colleges of the Country, **Deen Dayal Upadhyaya College is at Rank 10 in Science Category and is at Rank 16 in Commerce Category.**

Kindly see the attachment.

In order to improve our Ranking for next Year, we have to strengthen our activities related to

1. College Placement
2. Personality and Leadership Development
3. Number of research contribution to Scopus
4. Number of workshops & conferences attended by faculty
5. FDP programs conducted by College
6. Faculty/Student exchange program
7. Stress management training program

HINDU COLLEGE
NEW DELHI

CENTRE OF MERIT
Hindu College students on campus

YASIR IQBAL

Hindu College has a glorious legacy of pedagogy in subjects covered under the science stream—Physics, Chemistry, Botany and Zoology. The college has an excellent laboratory infrastructure, which got a fillip after the addition of the new science block in 2019. Like colleges across the country, Hindu College also faced many challenges because of the Covid pandemic. The biggest problem was conducting practical classes online. The college administration and teachers brainstormed to recreate the laboratory ambience for the students on the digital platform. In some cases, software applications were made available and used by the faculty.

The teachers went out of their way to ensure that learning continued without disruptions. Along with the laboratory staff, they braved the pandemic disruptions, went to the labs themselves to carry out the experiments and record them for the students. All this was done while following Covid protocols. They paid attention to the minute details for demonstrating the experiments and provided the students with as representative an experience as possible.

The college also made use of the online learning portal, Coursera, to provide students access to study material. It has initiated and financed several inter-disciplinary, research and innovation projects with undergraduate students in an online set-up. The Innovation Council of the college, established under the Union ministry of education, has continued to strengthen the spirit of student entrepreneurship by engaging the faculty and students in online events across India. The college also started the Hindu Fortnightly Lecture Series in collaboration with eminent scientists of the country. ■
