Report

Department of Chemistry under the aegis of DBT Star college Scheme organized a one-day workshop on Intellectual Property Rights (IPR) on 28 August, 2018. Forty students from B.Sc. (H) Chemistry and B.Sc. (Prog.) Physical Sciences of DDUC along with several faculty members of our college and other colleges of University of Delhi participated in the workshop.

The workshop started with the welcome address by Dr. S. K. Garg, Principal of the college followed by a brief introduction of the theme of the workshop by Dr. Vinod Kumar, the convener of the workshop. The workshop had two talks in the morning session and two in the afternoon session. The morning session was chaired by Dr. Shashi Saxena, DDUC and the afternoon one by Dr. K. K. Jha, DDUC.

Resource Persons

Dr. Rekha Chaturvedi is Intellectual Property Rights Chair (Professor) at Cluster Innovation Centre, University of Delhi. Dr. Chaturvedi delivered the inaugural lecture on Intellectual Property and its Management. She talked about the importance of intellectual property and explained about its different types such as patents, copyrights, trademarks, industrial designs etc.

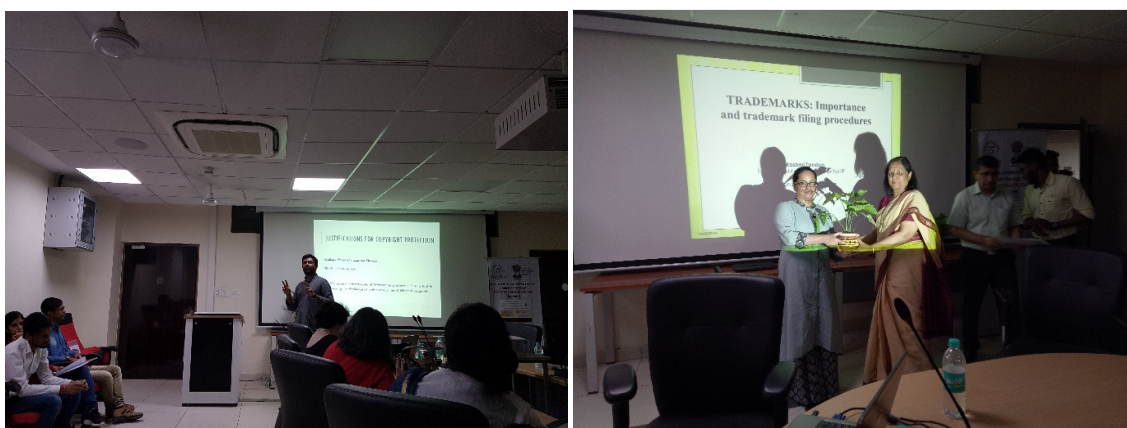

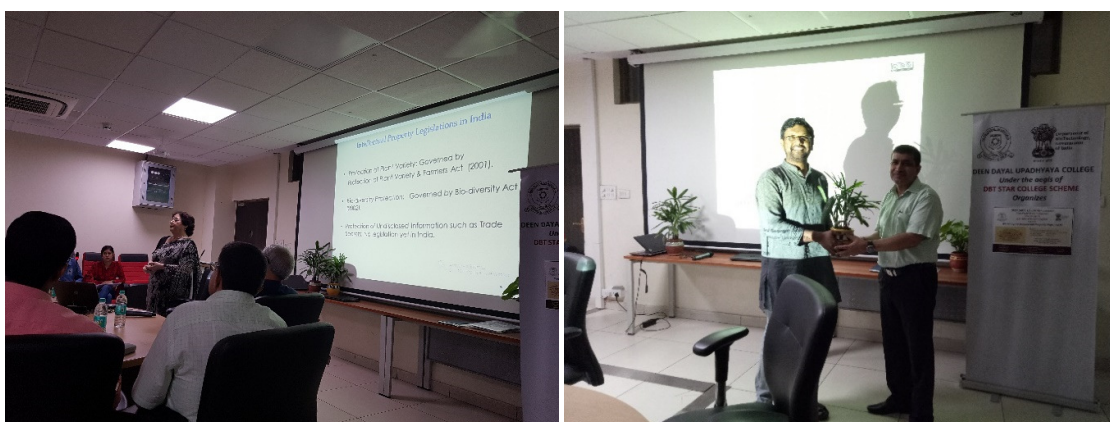

Dr. Arul George Scaria is an Assistant Professor of Law at National Law University, Delhi and Co Director of the Centre for Innovation Intellectual Property and Competition (CIIPC). He emphasized on the importance of copyrights and what are their exceptions. He also discussed few real life cases which added to the importance of copyrights.

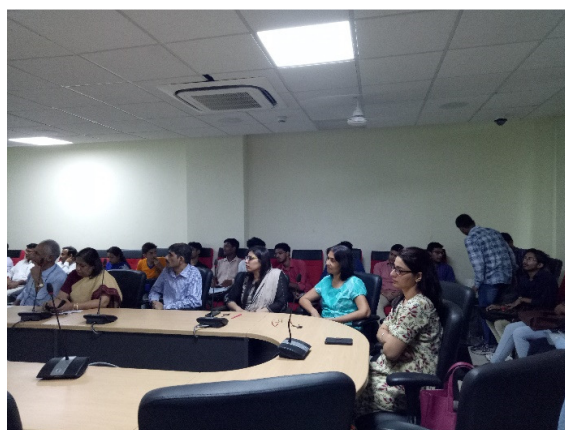

Dr. Rashmi Tandon is an Intellectual Property Rights expert. She gave an insight about the trademarks and their importance. She also discussed the procedure for filing trademark.

Dr. Nidhi Sandal from DRDO delivered the last talk of the workshop. She explained about the process of filing a patent. She discussed key aspects related to the steps which are required for any invention to become a patent.

Some of the glimpses of the event

The workshop ended with a Vote of Thanks to all the speakers and participants.
