

Investor Awareness Programme

The National Stock Exchange of India organised a ‘Regional Investor Awareness Programme’ in collaboration with commUnity, the subject society of Department of Commerce, Deen Dayal Upadhyaya College on the topic “Financial Inclusion through Financial Education” for all the faculty members and students on 1st August 2018.

The session was addressed by the Deputy General Manager of SEBI, Mr. Suryakant Sharma ; the Vice President of NSE, Ms. Renu Bhandari and the Cluster Head HDFC Mutual Funds, Mr. Sandeep Sindhi. It focused on using real life examples to help the faculty and the students to understand a concept rather than using a completely theoretical base.

To make the session more interactive, a question answer session was also conducted to clear any doubts. Since learning by doing is the best way to understand a concept, a quiz was also held to help cement the applications that were discussed in the session.

The students and faculty thoroughly enjoyed the session, not only because of its practicality but also because of its awareness value in terms of curriculum and job aspirations, especially for the students.
