

Shubhaarambh

On 5th September 2018, commUnity, the subject society of Department of Commerce, Deen Dayal Upadhyaya College, celebrated its Official Freshers Program - 'Shubhaarambh'.

To free the juniors from initial nervousness, the seniors presented a dance performance prepared especially for them to help them loosen up and enjoy the fun activities pre-decided for them. As the pre-show performances ended, the first year students were full of anticipation which was evident in the number of registrations received for the event.

The judges were amongst the faculty itself, who would mark and eventually screen the first year students on different parameters in the first few rounds. The pageant round, introduction and talent round helped the judges to test them on the basis of their personality, their confidence and their creativity amongst other things.

As the competition progressed, it definitely became tougher for the judges to choose winners from among such talented, creative and confident freshers but eventually three titles were awarded : Mr. Fresher, Ms. Fresher and Well Dressed who were awarded with a personalised gift hamper.

Teachers In- Charge : Dr. Shalini Bhatia

Ms. Anubhuti Yadav
