# CONTENTS

Dear Students,

**Welcome to the DDUC Parivaar,**

You are the future of this great land and we, at Deen Dayal Upadhyaya College have made a commitment to being your guide in achieving your goals and securing the future of this country. In an era of stiff competition, success can only be achieved if one makes the right kind of endeavor at the right time and in the right direction. Thus, our institution has adopted a futuristic approach towards learning and teaching with a view to enhancing education as well as excellence.

We maintain a perfect blend of academics and co-curricular activities in order to equip students to develop their strengths. In line with the philosophy of Pandit Deen Dayal Upadhyaya Ji, we have placed before ourselves the ideal of the four-fold responsibilities of catering to the needs of body, mind, intellect, and soul with a view to achieving the integrated progress of our students. And indeed, the results have been reflected in the recently announced ranking of colleges all over India. In the National Institutional Ranking Framework (NIRF 2022) ranking, released by the Ministry of Education, Government of India, our college has been ranked as the 21st best college in India. In India Today-MDRA Ranking for the year 2022, our college has secured 11<sup>th</sup>, 17<sup>th</sup>, and 37<sup>th</sup> positions in India in Science, Commerce and Arts streams respectively.

Besides academics, the College provides a strong platform to develop your extra-curricular interests and skills. The College has 26 societies that include dramatics, debating, music, Eco- club, Quiz society, Literary Society, Women development cell, and NSS to name a few that you can be a part of and learn life skills that contribute to a holistic educative experience. Our laurels in sports are well known. Our green campus and award-winning infrastructure complete this picture.

As the wheels of time roll by, our resolve to nurture young minds and transform them into thinking and sensitive individuals only gets stronger. I wish the best of luck to all the students, to display the spirit of youth and constantly strive to scale great heights, discover new depths and make a difference in the world.

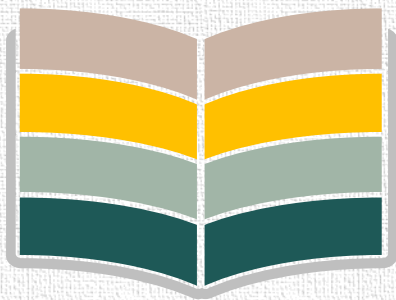

My best wishes for your bright future!

- 1. Entry level eligibility:** The general feeder category for entry into Level 5 is the Secondary School Leaving Certificate obtained after successfully completing Grade 12. A programme of study leading to entry into the first year of the Bachelor's degree is open to those students who have met the entrance requirements, including specified levels of attainment at the secondary level of education mentioned in the programme admission regulations. Admission to the Bachelor degree programme of study is based on the evaluation of documentary evidence (including the academic record) of the applicant's ability to undertake and complete a Bachelor's degree programme which is specified in the UGC Guidelines for Multiple Entry and Exit Scheme in Academic Programmes Offered in Higher Education.
- 2. Number of hours of a credit course:** It shall be defined by its component of lecture, tutorial and practical.
- 3.** Every student has to study "Environmental Science and Sustainable Development" courses I and II of two credits each in the first year (I/II semester) and the second year (III/IV semester), respectively. The AEC pool will also consist of credit courses in languages listed in the Eighth Schedule of the Constitution of India, as updated from time to time. The University of Delhi shall extend necessary support to those Colleges (where faculty is not available) which may require it in course of teaching learning in these languages.
- 4. Design of degrees:** Students shall be able to design their own degrees according to their mission and aspiration for a future befitting to their ability and attainment, rather than following the conventional pathway.
- 5.** A student who pursues three years undergraduate degree programme in a specific discipline as a Core course [for example, B. A. (Honours) English, B. Com (Honours), B. Sc. (Honours) Physics and such other Programmes] will earn at least 80 credits in that discipline (from 18 DSCs and at least 2 DSEs of that discipline) and shall be awarded Honours degree in that discipline, if he/she exits after completion of VI semester.
- 6.** A student who pursues three years undergraduate degree programme in more than one discipline as core courses of study (for example B.A. in Social Sciences/ Humanities, B.Sc. in Life Sciences, B.Sc. in Physical Sciences, B.Sc. in Mathematical Sciences, Bachelor in Commerce Studies and such other programmes) he/she shall be awarded Bachelor's degree in that field of multidisciplinary course of study, if he/she exits after completion of VI semester.
- 7.** If a student wishes to pursue four years Honours Degree with research, he/she shall compulsorily opt for a Research Methodology course in either VI Semester or VII Semester as GE.
- 8. Dissertation/Academic Project/Entrepreneurship** in the 4th year shall commence from VII semester and conclude in VIII semester. Detailed outcomes of each track chosen out of these three options shall be notified and assessment at the end of VII and VIII semesters shall be done accordingly.
- 9. Dissertation** may be written in the Major or Minor or Interdisciplinary (combination of Major and Minor) discipline.
- 10.** If a student mentioned at (6) above continues or re-enters the fourth year for pursuing an Honours degree in that field of multidisciplinary study, he/she has to choose only one of the disciplines he/she had studied as core courses of study in the previous six semesters and earn credits from the 2DSCs and 6DSEs of that chosen discipline in the VII and VIII semesters and write dissertation or opt for Academic Project or Entrepreneurship.

11. If a student mentioned at (5) above, continues or re-enters to study the VII and VIII semesters in the same discipline, and writes dissertation mentioned at (9) above, but no Minor discipline is made out (i.e., credits earned in the GEs of any one discipline is less than 28 credits), then he/she shall be awarded 'Honours with Research' with Major in that discipline on successful completion of VIII Semester.
12. A student mentioned at (6) above, shall be awarded 'Honours' degree in that field of multidisciplinary study on successful completion of VIII semester. For example, B.A. (Honours) Social Sciences/ Humanities, B.Sc. (Honours) Life Sciences, B.Sc. (Honours) Physical Sciences, B.Sc. (Honours) Mathematical Sciences and Bachelor in Commerce Studies (Honours). Major and Minor shall be indicated on fulfilment of the conditions mentioned above at III(2)(b) and III(3)(b), respectively. For instance, a student who pursues four years B.A. (Honours) in Social Sciences/ Humanities with History, Political Science and Hindi as core courses, shall get Major in History, on successful completion of VIII semester, if he/she earns minimum 80 credits in History from 8 DSCs and at least 9 DSEs of History and writes dissertation on a topic related to History. Such a student shall get a Minor in Political Science/Hindi, if he/she earns minimum 28 credits from 6 DSCs and one DSE of Political Science/Hindi.
13. Only a student mentioned at (5) above who opts to write a dissertation in the Major/Minor subject in VII and VIII semesters in the fourth year, shall be awarded 'Bachelor of Field of Study/Discipline (Honours with Research) in Discipline'. For instance, a student who pursues B.Sc. (Honours) in Physics and writes a dissertation on a topic relating to Physics or the Minor in VII and VIII semesters, shall be awarded 'Bachelor of Science (Honours with Research) Physics. Major and Minor shall be indicated on fulfilment of the conditions mentioned above at III(2)(a) and III(3)(a), respectively.
14. A student who opts for 'Academic Project' or 'Entrepreneurship' in VII and VIII semesters, instead of writing dissertations, and has earned 28 credits in the relevant GEs, SECs, AECs & IAPC, shall be awarded Minor in Academic Project or Entrepreneurship, as the case may be. 'Bachelor of Field of Study/Discipline (Honours with Academic Project/ Entrepreneurship) in Discipline (Major) & Academic Project/ Entrepreneurship (Minor)'. If he/she is unable to earn the requisite 28 credits, he/she shall be awarded 'Bachelor of Field of Study/Discipline (Honours with Academic Project/ Entrepreneurship) in Discipline (Major)'.
15. A student who pursues four-year undergraduate degree programme shall be awarded after completion of the VIII semester an appropriate degree.
16. Exit Options: The minimum credit to be earned by a student per semester is 18 credits and the maximum is 26 credits. However, students are advised to earn 22 credits per semester. This provision is meant to provide students the comfort of the flexibility of semester-wise academic load and to learn at his/her own pace. However, the mandatory number of credits have to be secured for the purpose of award of Undergraduate Certificate/ Undergraduate Diploma/ Appropriate Bachelor's Degree in the field of Study/Discipline, to a student who chooses to exit at the end of even semesters.
17. The course code, number of credits, components of lecture, tutorial and practical, pre-requisites to be fulfilled for choosing that course and the department offering the course shall be spelt out for each course. A student should fulfil the pre-requisites of a course to be able to opt it for study.

Kalpavriksha

The Department of Botany endeavors to promote and inspire students to pursue higher studies in plant sciences, orienting them towards learning and investigation. The department has well equipped laboratories to carry out practical classes and research work, a museum and a botanical garden. A unique feature of the department is its faculty members which includes experts and active researchers from almost all areas of plant science.

They publish quality research work in reputed national and international journals. The faculty members initiate innovative projects with active involvement of students to instigate scientific temperament in them. Students are encouraged to enthusiastically participate in all the activities of the department throughout the year, thereby constantly evolving them as vibrant personalities. The department has an active Botanical society named “Kalpavriksha”, which organizes events like subject lectures by eminent scientists and scholars, extracurricular activities including awareness programs for preservation of environment, conferences/seminars/workshops, plant identification and various competitions pertaining to the field of Botany. The Kalpavriksha holds its annual festival DELONIX every year in which it organizes various inter- and intra-college competitions. The Department has instituted Pt. Deen Dayal Upadhyaya Memorial Inter-college Debate.

Rolling Shield from the academic session 2015-2016. The Botanical Society ‘Kalpavriksha’ publishes an annual journal Contemporary Plant Sciences (ISSN: 2393-8676). The sustained efforts of teachers bring students closer to Mother Nature through botanical excursions. Founded with a vision to empower our students in various upcoming thrust areas of basic and applied sciences viz. microbiology, plant biotechnology, molecular biology, bioinformatics etc., the department provides them the stepping stone to reach higher heights in their career.

Covalence

“Nothing is lost, nothing is created, everything is transformed.” -Lavoisier The department of chemistry is here to transform the personalities of students to a competent researcher and a responsible citizen with the infusion of soft skills for research and life. This act of transformation is supported by a myriad of things and activities of the department. The true asset of the department is the highly qualified and well experienced fourteen faculty members- eleven associate professors and three assistant professors.

The faculties have authored many books, research papers and patents, runs many projects sponsored by the esteemed agencies like UGC, DBT and DST, organized many workshops, seminars and conferences in the college and university, acting as supervisors to Ph. D. aspirants and many more to be mentioned. Their brimming intellect syncs well with the facilities available and is instrumental in making the students research oriented from the young age only. Four air conditioned rooms and one lecture theater, each equipped with the facility of a projector are used to conduct interactive theory sessions. The three well equipped laboratories with a dedicated space for instrumentation facility are used to perform experiments in the practical classes. There is a separate laboratory for research having many modern instruments and equipment namely; Rotary vacuum evaporator, Buchi type Rotary vacuum pump, Refrigerated circulating water chiller, Laboratory weighing balance, UV-Vis Spectrophotometer Shimadzu-1800 Tube Furnace Centrifuge machines, Vacuum Oven, Magnetic Stirrers.

Also, there is a well-maintained departmental library with a treasure of books on chemistry. The department has an active chemical society- Covalence- under the niche of which many activities like lectures by eminent speakers, paper presentation, debate, quiz, article writing, alumni interaction are conducted throughout the year. This definitely adds to the learning of students, helps in extracting their hidden talents and enhancing their aptitudes and hence helping them to shape their future.

The Department of Computer Science is one of the most valuable gem in throne of the Deen Dayal Upadhyaya College. With state of the art infrastructure and resources and with help of its 12 faculty members at present, Department has been first choice for a large number of students to pursue BIT, BIS, PGDCA and BTech CS in past and BSc Hons CS and BSc Physical Science with Computer Science in present.

With help of industry academia information interchange, appropriate workshops, seminars, talks and lectures by professionals, Department has been imparting computing knowledge to students effectively for over three decades. The faculty members of the Department are best known for their versatility and teaching techniques. The Department offers a well designed course structure with choice of electives to develop interdisciplinary knowledge, skills, and values through combined approach of theory and practical method of learning which results into highly competitive and knowledged students.

With help of guidance and motivation from teachers, students of the Department every year go for higher education in premier institutes like DU, JNU, BHU, CMI, NITs and abroad also. Department is proud of its alumni base which guides and helps students of the Department in every possible way.

Department is well equipped with the power of its trident societies, Sanganika-Computer Science Society, DDUC ACM Student Chapter and DDUC Codechef Chapter. A lot of activities like workshops, coding competitions, classes beyond classrooms, industrial visits, technical fest Technarathon, team building and personality development activities, quizzes, freshers, farewell, alumni meet and many more are organized by Sanganika and these chapters.

The Department of Electronics' B. Sc. (Hons.) Electronic Science programme gives students a thorough foundation in the principles of electronics and related fields. This develops the abilities needed to create automated, computerised, electrical, electronic, and communication systems. Analog and digital electronics, VHDL, robotics, embedded systems, nanoelectronics, biomedical instrumentation control systems, mobile application development, consumer electronics, signals & systems, electrical machines,

machines, communication, microprocessors, and programming languages are all covered in the course content. The program also includes practical's based on simulators like P-Spice Multisim, MATLAB, Scilab, QUCS, and others. The program offers graduates wide-ranging chances to explore and achieve the pinnacle of achievement in research and development, aerospace and defence electronics, design, testing, quality control, and project management.

After graduating, students can attend further education institutions like the University of Delhi, Indian Institute of Technology, Jamia Millia University, DDU University, Gorakhpur, Savitri Bai Phule Pune University, DTU, NSIT, etc. to study electronics or information technology.

Zest

The English Department at Deen Dayal Upadhyaya College covers a wide range of literature, including British, American, Indian, and Modern Indian Writing in English Translation and Classical European and Indian Literature. This intensive course should be an excellent introduction for students who desire to base their careers on a thorough study of literature.

The students will develop theoretical stances and analytical methods for literary analysis. They will also be able to contextualise what they are reading and where it concerns their communities, classes, castes, religions, languages, regions, genders, politics, and the global community.

Our department aims to introduce students to the multilingual and pluralistic ethos of Indian culture. Since several Indian languages, literature, and scripts are dying fast, we make our students translate from various modern Indian languages into English and vice versa. This exercise bridges the gap between English and other Indian languages and makes our students appreciate India's linguistic, social, and cultural diversity through literary texts.

ZEST is the literary society for Deen Dayal Upadhyaya College's English department. The society allows students to explore their interests in literature and the arts. It hosts various events, including seminars on diverse literary topics, lecture series, book club discussions, film screenings and reviews, and art appreciation sessions. "ZEST for us, is quintessentially the invincible spirit that overcomes all the peaks and troughs in life. ZEST is that spring in our step, a song in our heart, a dance in the rain and a flag at the summit."

Abhivyakti

The Departments of Social Sciences and Humanity, Deen Dayal Upadhyaya College, University of Delhi, offer BA (P) courses with three different combinations i.e. Economics with History, Economics with Political Science and History with Political Science. The Departments offer an excellent course structure with choice of skill enhancement and generic electives that intend to develop knowledge, abilities and skills. Faculty members are highly qualified and actively involved in research.

With its varied range of research interests and expertise, the departments promote interdisciplinary works in social sciences research from diverse academic backgrounds. The departments promote and inspire students to pursue higher studies in Political Science, History, Economics and Hindi and also in various competitive examinations. The departments organize seminars, workshops, lectures, conferences, and invite eminent social scientists from across the country as well as from outside the country at regular intervals.

Abhivyakti is the subject society of the departments. The subject society organizes various events including quiz, debates, cultural festivals to explore inner qualities of the students and also give platform to develop their skills and interests. The Annual fest 'Mridang' is organized every year in the month of March. The departments also organize Alumni Meet and Alumni lecture every year. The Alumni of the departments are from different fields including fields including civil services, Teaching, Research entrepreneurship and sports.

“

“Live as if you were to die tomorrow. Learn as if you were to live forever” said by Mahatma Gandhi is the motto of Department of Mathematics, DDU. Universities, they say are the ivory towers, and mathematicians are regarded as the epitome of those who inhabit them. Mathematics is a key player in numerous success stories of technical advantages and cost savings that accrue from clever modelling, analysis, and computation by mathematicians working with other professionals.

The mathematician's logical, problem-solving approach is widely seen to provide a noticeable competitive edge. The Department of Mathematics is running efficaciously its major in mathematics since 1995. The department has at present seven permanent Associate Professors and one Assistant Professor, along with four additional qualified faculty members. The basic resolution of the department is to explore and give an insight in to the latest developments in mathematics to the future generation of students.

# Operational Research

## Subject Society: Optizone

As the complexity and specialization in the organizations are increasing day by day, the problem of allocating the limited available resources to the various activities in an effective and efficient way is becoming more and more difficult. In order to solve these kinds of problems by using scientific approach, Operations Research was emerged.

It came into existence way back in world War II, when the British and then U.S. military management appointed a team of scientists from various discipline, to deal with the problem of allocating scarce resources to various military operations and to the activities within each operation in an effective manner. Operations Research or Operational Research means “Research on Operations”. It is an interdisciplinary subject which helps in making decisions. Mathematical modeling is the essence of Operational Research.

In today's economy, sound managerial education is a pre-requisite to success; Bachelor of Management Studies offers a launch pad by providing top notch managerial education right at the undergraduate level. This course is one of the most renowned courses at the undergraduate level not just in the University of Delhi but all over India. The goals of the course are ambitious: to build, expand and reinforce managerial skills needed to excel in global environment.

BMS course equips the students with necessary competence in key business functions, thus enabling them to embark on challenging and rewarding careers, as well as Post Graduate studies.

## **Pedagogy**

The various concepts, theories and an understanding of complexities are taught to the students through case studies, presentations, role plays, guest lectures and conferences to attune the students to the present and future business requirements. Our work culture truly believes in team effort and we do not leave any stone unturned for the holistic development of the students to ensure that they become capable of managing the complexities of the corporate world.

# STUDENT LIFE

@ DDUC

College is that intersection of life where education, values, career, talent and much more meet and helps you really discover yourself in true sense and where you learn to be on your own. In this transition, plethora of societies and clubs play a key role in shaping the personality of the students. While academics and subject societies strengthen your knowledge and life goals, these societies train you in life skills such as handling situations, organizational abilities, team work and even managerial skills. Not only do they help you unveil your actual passion – the creative side of you but also enable you in multi-tasking, staying organized, generating ideas and even serving others and society which actually prepares you for tomorrow.

Student Activity Board at DDUC is uniquely tailored for a holistic growth and development which will help you in –

- **Developing soft skills**

These help you to effectively interact with others and involve skills like communication, attitude, and even work ethics.

- **Learning teamwork**

Working in a team is an essential skill for any career and life. Our varied societies and clubs teaches you how to do this by putting you in situations where you shall be required to take decisions as a team, consult your teammates and even give your suggestions and advice.

- **Providing networking opportunities**

Not only will you get the opportunity to network by meeting new students, peers, experts in different fields but it will also help you in making the right career decisions.

- **Gaining practical experience in a safe environment**

Participating in a club or a society based on your particular area of interest will give you practical exposure to that field. While you will learn to use skills like project management, event planning, and fundraising, you get to test them out in a safe environment where learning by making mistakes is accepted as the way of life. Everyone is there to support you, so there's no fear of being wrong. Teachers as mentors are available at each step to guide you to take the right decisions.

“The future belongs to those who believe in the beauty of their dreams.”

– Eleanor Roosevelt

# Our Societies & Clubs

“Twenty years from now you will be more disappointed by the things you didn’t do than by the ones that you did do. So throw off the bowlines. Sail away from safe harbor. Catch the winds in your sails. Explore. Dream. Discover.”

– Mark Twain

### Sangyaan

“Unlocking knowledge at the speed of thought”

**Sangyaan**, the quizzing society of DDUC, acts as a platform for the DDUC community to experience the sheer joy of straining the grey cells and exercising one's curiosity. This society is constantly encouraged to be creative, spontaneous and think out of the box. Sangyaan conducts regular theme-based quizzes on campus, and conducts various intra and inter-college quizzes for all those who love the thrill of getting to the correct answers quickly, and have a penchant for inquisitiveness. At Sangyaan, we intend to be active facilitators through which students can learn, practice, and sharpen their quizzing skills as well as keep themselves updated.

### Voices

“Don't raise your voice, improve your argument” - Desmond Tutu

**Voices**, the Debating Society at DDUC believes that every voice matters. We believe that debating is a fantastic opportunity for developing oratory skills, a brilliant way to engage in constructive discussion on topical issues and above all - a lot of fun! It is “uniquely suited” to build skills required by a modern citizen, including critical thinking, communication, collaboration, and creativity. Debate allows students to take ownership over their own intellectual development. And throughout the years of practice and competition, debate builds lifelong friendships and community, inculcating team spirit as well.

# Spic-Macay

“Society for promotion of Indian classical music and culture amongst youth”

**SPIC MACAY**, is a non-political, nationwide, voluntary movement that organizes programs of classical music and dance, folk arts, crafts, yoga, classic cinema screenings, heritage walks, lecture demonstrations, workshops, talks, conventions etc. inside school and college campuses throughout the world to enrich the quality of formal education by increasing awareness of the rich and heterogeneous cultural tapestry amongst the youth and inspiring the young mind to imbibe the values embedded in it. This initiative makes education more holistic and meaningful as it highlights all that is beautiful, lofty and wholesome, of the sensitive, kind and gentle human being who is inspired and in turn inspires.

# Raaga & Rhapsody

“The truest expression of people is in its dance and its music”  
-Agnes de Mille

The dynamic and energetic Music and Dance Society is organized into the following groups: **Raaga**, the Music Society and **Rhapsody**, the Dance Society. The two art forms, music and dance, together seem to create an emotional quotient, always complementing each other – music helps to emote while dance is the expression of emotions. Every music and dance event of the society serves as a reminder of the beautiful words of Charles Baudelaire: “The dance can reveal everything mysterious that is hidden in music, and it has the additional merit of being human and palpable. Dancing is poetry with arms and legs.”

### Finance Society

“Finance without strategy is just numbers, and strategy without finance is just dreaming.” - E. Faber

#### The Finance Society, FIN-S

works towards providing a constructive platform for helping the budding finance warlocks grow, and apply the theoretical concepts they have learned in real life. The club’s activities explore the various verticals within Finance including stock markets, investments, equity research, financial policies, etc. through competitions, workshops, and speaker sessions. Instrumental in ensuring preparedness for placements, the club also endeavors to serve as a bridge between the industry and the student community.

### MUN Club

“Soar with wit; Conquer with dignity; Handle with care.”

With an ambition to provide a highly realistic and immersive simulation of real-world global entities, DDUC **Model United Nations**

stems from a passion that endeavours to annihilate the predicaments that concern the world today; and serve as a platform for young minds to voice their opinions. Through the concept of MUN, the club aims at helping young delegates across various educational spectra develop their reasoning and analytical skills by simulating a variety of situations and giving them the opportunity to debate issues of international importance. This activity is more than just debating; MUN is about advocating a country's position on an issue and working towards a common solution. It is an exciting opportunity to feel empowered through speech and role-play, whilst learning invaluable life skills that will stand out on your CV.

# Yavanika

“Theatre is a mirror, a sharp reflection of society” – Yasmina Reza

**Yavanika**, the dramatics club of the college literally signifies unveiling the curtain of ignorance. It aims to inspire and train students to express their creativity and reflect the true picture of contemporary society through the art of theatre and live performance. The club not only fosters self-expression, creativity, and artistic abilities but also instills life skills, teaches empathy, inculcates communication skills, and builds confidence and teamwork in addition to being a great stress reliever.

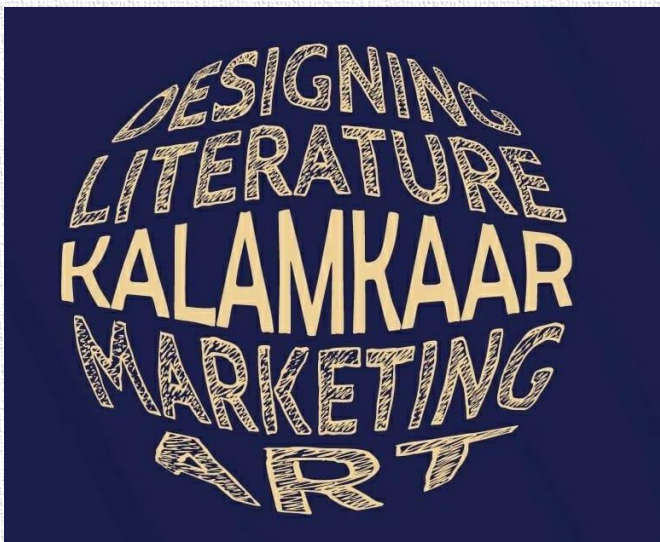

“Creativity is seeing what others see & thinking what no one else ever thought”

# Kalamkaar

The significance of creativity cannot be overseen in this era of freedom of speech,

thought and expression. **Kalamkaar**

- The Literary Society of the college, caters to this need of students and provides a platform to express themselves. Kalamkaar is a homage to your creativity, a tribute to your expression and a celebration of the free voice and limitless minds. The English and Hindi Literary wing strengthens the art of writing, the Fine Arts wing helps the young artists showcase their creativity and the Graphic wing of the society provide opportunities to budding graphic designers by organizing various workshops, literary activities such as open-mic, creative writing competitions, painting competitions and poster making competitions.

# Robotics Club

“Robotics is the kitchen sink of the world of electronics”

**Robotics Club** at DDUC is a club of enthusiastic young minds passionate about robotics giving multi-disciplinary collaborative hands – on experience in designing, building and programming of AI based gadgets. The club helps the students to form a brief understanding of various concepts and dynamics of Robotics. Students of the Robotics Club attend workshops, hold competitions and take part in different events to strengthen their technical skills.

# Polaroid

“Photography is the simplest thing in the world, but it is incredibly complicated to make it really work.” – Martin Parr

Since photography is the only means of preserving the present moments and cherishing them later in life, **Polaroid**, the Photography Society, inspires the students and its members to capture the beauty of the world we live in. Being one of the most active societies of the college, it regularly organizes workshops, photo walks, and field trips with the motive to learn something new every time. The club seeks to support, encourage, and inspire individuals to use photography as a medium to creatively express themselves through the lens of a camera. Club members of the society get an opportunity to cover all the major events organized in the college to nurture their creative and observation skills.

# Adventure Club

“Adventure is Worthwhile” - Aesop

**Adventure Club**, ESCAPADE at DDUC is the forum for adventure enthusiasts, trekkers, and climbers in the student community. The members of this club work to develop the spirit of adventure among the DDUCians. The Club aims to take students beyond their perceived physical and mental comfort zones, hence overcome their fears; instill a sense of adventure and love for nature; inculcate teamwork and leadership. In the process they also become self-reliant and pick up some valuable life skills. In their outdoor trips they also follow the basic principles of LNT or Leave No Trace which educates them to care for the pristine environment. The Club has been regularly organizing activities like trekking and camping, rock climbing, etc. so that they can learn and appreciate adventure activities in their true spirit.

# Eco Club

“Think Green; Act Green; Be Green”

**Eco club** is a platform that empowers students to create environmental awareness among the college students to inculcate the culture of eco-friendliness and environmental conservation among them. The club encourages the students to go green and to maintain a sustainable green campus. It also aims to create a natural, holistic, student-centred learning environment that inspires the students to be creative, innovative, green leaders and eco-friendly decision makers.

# Women Development Cell

“Awake, Arise and Educate” - Savitribai Phule

## Women's Development

**Cell** at DDUC envisions a gender-neutral environment that facilitates independence, safety, well-being and dignity of womenfolk; empowering them with rights and equitable opportunities ensuring enrichment of their future. The cell strives to create equitable opportunities to empower women to attain their full potential, enriching organizational and social life in the process which have mutual benefits to the genders and society. In addition, the Cell organizes lectures, workshops, documentary screening and discussions on topical, pertinent issues.

# Institution's Innovation Council

“There's a way to do it better – Find it.” - Thomas A. Edison

**INSTITUTION'S  
INNOVATION  
COUNCIL**  
(Ministry of HRD Initiative)

DDUC is one among selected Higher Education Institutions (HEIs) under Ministry of Education (MoE), Government of India, for establishing

## Institution's Innovation Council (IIC)

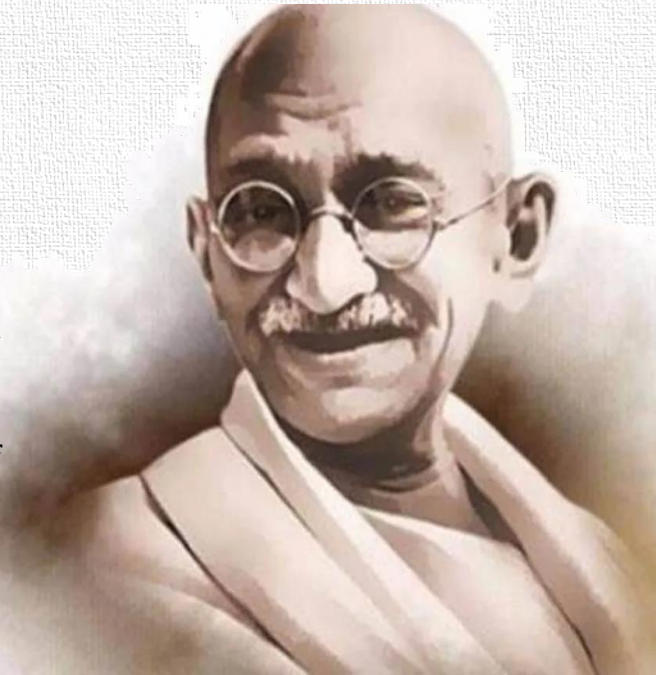

working under 'MoE's Innovation Cell (MIC)'. IIC - DDUC Chapter is a faculty-experts-student council which takes on multiple activities to promote Innovation and Entrepreneurship round the year. The Council aims to promote innovation by providing ecosystem in our campus and also by identifying, mentoring, nurturing innovative and entrepreneurial potential of students and transforming them into start-up entrepreneurs by preparing them with skills like critical thinking, design thinking, innovative thought process and entrepreneurial mindset.

## Gandhi Study Circle

“A man is but a product of his thoughts. What he thinks he becomes.”

- Mahatma Gandhi

**Gandhi Study Circle** aims to uphold the ideals of the Father of the Nation, Mahatma Gandhi. The Centre explores the relevance of Gandhian ideology in the present world through seminars, workshops, lectures and exhibitions. Premised on the conviction that Gandhiji’s philosophy has perennial relevance, the Centre’s continuous effort will be to locate his ideology in this day and age and catalyze the awareness that it is the answer to the present crisis. The Centre’s sustained thrust will be to analyze study and inculcate in young people Gandhian ethics and the principles of truth, non-violence and self-discipline. Gandhiji’s ideology has influenced myriad spheres of human experience: politics, economics, education, nation-building etc. It will also provide opportunities to critically interrogate these ideas, and disseminate them, exploring at the same time, Gandhiji’s relevance as a leader, motivator, nation-builder and role model.

## Vivekananda Study Circle

“Arise! Awake! And stop not until the goal is reached.”

- Swami Vivekananda

### **Vivekananda Study Circle**

of DDUC is a group that meets once every week with the aim to spread the ancient wisdom of India among the younger generation so that they can live their lives in a better way with more joy, more success and more overall fulfilment. Under this forum, the group discusses various issues related to spirituality and its practical importance in our day to day lives. It is quite remarkable that we can find solutions to most of our modern problems just by digging deep into the wisdom that our ancestors had a few thousand years back!

### Science Foundation

**Science Foundation** was constituted with an aim of popularizing science among the undergraduate students. Under the umbrella of Science Foundation a plethora of activities are organized including interactive and motivational lectures by the eminent speakers from all over the world, workshops and hands on training sessions by experts, industry academia interactions, Science festivals and many more. The committee strives to organize activities that impart student-centric skill enhancement in

the areas other than their curriculum based experiments in addition to making them aware about the latest trends and developments in the field of Science. The active involvement and enthusiasm of teaching fraternity of all Science Departments of the College is the strength of this foundation.

### DBT Star College Program

Department of  
BioTechnology,  
Government  
of India

सत्यमेव जयते

**“Star College Scheme”** has been initiated by the Dept. of Biotechnology (DBT), Govt. of India to support colleges and university departments offering undergraduate education to improve science teaching. The program aims to improve the skills of teachers by organizing faculty training, improving curriculum & emphasis on practical training to students by providing access to specialized infrastructure and consumables. In 2018, DBT under Star College Scheme has sanctioned a sum of Rs 1.04 crores for three years for strengthening of Life Science and Biotechnology Education and Training at UG level for five dept. of our college i.e. Botany, Zoology, Chemistry, Electronics and Mathematics. In 2021, the college has been awarded Star College status by Govt. of India for another three years. A total sum of Rs.1.65 cr. has been sanctioned for strengthening infrastructure, research and development activities.

# Ek Bharat Shrestha Bharat

“The beauty of India lies in the diversity of its people”

Our country has diverse cultures and rich cultural heritage in each of them. The cultural exchange programs under the **Ek Bharat Shrestha Bharat** programme are held in the college to promote a sustained and structured cultural connect in the areas of language learning, culture, traditions & music, tourism & cuisine, sports and sharing of best practices, etc. The various activities conducted help us admire and appreciate our cultures mutually and thus, build a sense of togetherness and bonding. National integration, irrespective of the regions that we hail from, is of vital importance since the key to our progress is hidden in our unity amidst our diversity.

## Data Analytics Club

“The goal is to turn data into information, and information into insight”.  
- Carly Fiorina

In response to the ever-increasing importance of data analysis, the **Data Analytics Club** at DDUC provides students a platform to learn, shape, and network, bringing them together with industry experts through its various sessions, online activities, and workshops. The club offers to educate the students about the latest advances, applications of analytics in various fields and also to empower them with managerial level analytical knowledge to make them more effective in whatever field they're working in.

# Reflections – College Magazine

“An opportunity of expression for the budding authors”

To unlock the abundant latent creative treasure amongst students the college brings out its annual bilingual magazine

**‘Reflections’**. It provides a platform to students to express their views in the form of essays, articles, paintings and poems. Unlike previous years, since the year 2019 the digitalized version of the college magazine was unveiled. The magazine had flip over pages mode and could be read like a book virtually.

## National Service Scheme

“Not Me But You”

The **National Service Scheme** (NSS) is a community service programme with the objective of building social consciousness in students. NSS provides an opportunity to students in the capacity of volunteers to venture out of their comfort zones and make a difference to society. Inspired by this philosophy, the NSS chapter of DDUC comprises a gamut of events and activities undertaken by volunteers across campus and slum areas to create awareness and also to motivate people to work towards a clean environment. They have channelized their creativity and spirit of volunteerism to bring about meaningful change.

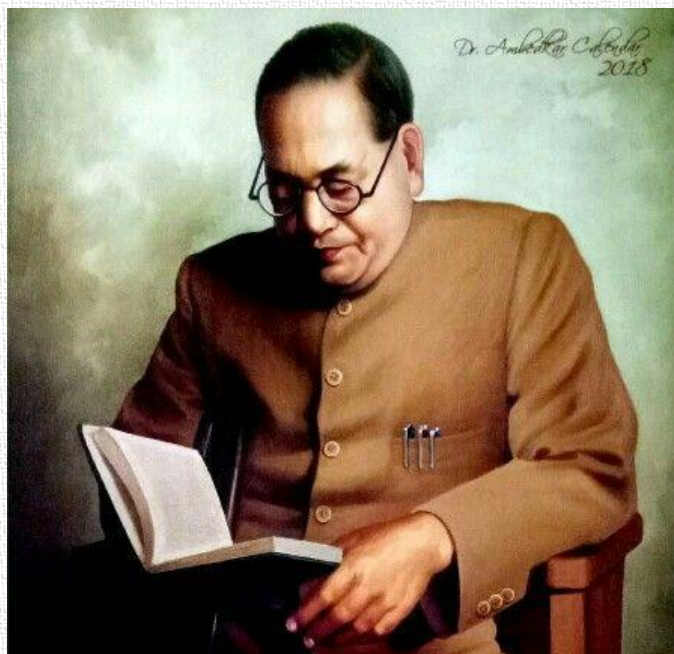

# Ambedkar Study and Research Centre

“I measure the progress of a community by the degree of progress which women have achieved”

– Babasaheb Bhimrao Ambedkar

## Ambedkar Research and Study Centre

of DDUC helps to keep alive the vision and progressive ideas of Babasaheb Dr B R Ambedkar, one of the great architects of our nation. The centre aims to propagate the ideas and ideals of Bharatratna Dr. Babasaheb Ambedkar on society, economy and polity; focus attention on the contributions of Dr. Ambedkar for the upliftment of the socially and economically deprived sections of the society and promote the ethos of equality, fraternity and social justice among the younger generation.

## Kalrav - College Festival

“Culture is the process by which a person becomes all that they were created capable of being” - Thomas Carlyle

**Kalrav** is the annual festival of DDUC, usually organized in the first quarter of the year. It is a conglomerate of the activities of all societies and departments of the college. Kalrav seeks participation of students pan-India and has events & competitions including those of Music, Dance, Drama, Debating, Model UN, Quizzes and many more informal events. The Star nights at Kalrav in the previous years have witnessed performances by youth icons like Mika, Indian Ocean, The Circus etc. The event is solely organized by students enabling them to develop soft skill and managerial abilities.

**Reference:** Directives of the Supreme Court of India dated May 16, 2007 in SLP No(s) 24295 of 2006 University of Kerala Vs Council, Principal's, Colleges, Kerala & Ors (with SLP(C) No. 24296-99/2004 & WP. (CrI) No.173/2006 and SLP(C) No. 14356/2005) and Civil Appeal No. 887 of 2009 dated May 8, 2009.

The Hon'ble Supreme Court of India admitted and heard the above referred SLPs in relation to the menace of ragging in Technical Institutions/Universities/ Colleges in the Country.

In this connection a committee headed by Dr. R.K. Raghavan, Former Director of CBI, for giving specific recommendations on effective prevention of ragging in educational institutions was constituted by the apex court. Accordingly, the Committee had carried out a very detailed study on the various factors contributing for ragging and collected the public opinion. Further, the committee had submitted a detailed report with suitable recommendations and measures required to effectively curb the menace. The recommendations of the Committee were duly accepted and the following directives have been issued to all the educational institutes for necessary implementation by the Hon'ble Court. The Hon'ble Court issued further orders on the 2nd and 3rd report of the Raghavan Committee also.

The salient features of the report / order are summarized below:

### **I. Factors listed by the Committee**

- a) Primary responsibility for curbing ragging rests with academic institutions themselves.
- b) Ragging adversely impacts the standards of higher education.
- c) Incentives should be available to institutions for curbing the menace and there should be disincentives for failure to do so.
- d) Enrolment in academic pursuits or a campus life should not immunize any adult citizen from penal provisions of the laws of the land.
- e) Ragging needs to be perceived as failure to inculcate human values from the schooling stage.
- f) Behavioral patterns among students, particularly potential 'raggers', need to be identified.
- g) Measures against ragging must deter its recurrence.
- h) Concerted action is required at the level of the school, higher educational institution, district administration, university, State and Central Governments to make any curb effective.
- i) Media and Civil Society should be involved in this exercise.

### **II. Recommendations approved by the Supreme Court**

1. The punishment to be meted out has to be exemplary and justifiably harsh to act as a deterrent against recurrence of such incidents.
2. Every single incident of ragging where the victim or his parent/guardian or the Head of institution is not satisfied with the institutional arrangement for action, a First Information Report must be filed without exception by the institutional authorities with the local police authorities. Any failure on the part of the institutional authority or negligence or deliberate delay in lodging the FIR with the local police shall be construed to be an act of culpable negligence on the part of the institutional authority.
3. If any victim or his parent/guardian of ragging intends to file FIR directly with the police, that will not absolve the institutional authority from the requirement of filing the FIR.
4. In the prospectus to be issued for admission by educational institutions, it shall be clearly stipulated that in case the applicant for admission is found to have indulged in ragging in the past or if it is noticed later that he /she has indulged in ragging, admission may be refused or he/she shall be expelled from the educational institution.
5. It shall be the collective responsibility of the authorities and functionaries of the concerned institution and their role shall also be open to scrutiny for the purpose of finding out whether they have taken effective steps for preventing ragging and in case of their failure, action can be taken; for example, denial of any grant-in-aid or assistance from the State Governments.

6. Anti-ragging committees and squads shall be forthwith formed by the institutions and it shall be the job of the committee or the squad, as the case may be, to see that the Committee's recommendations, more particularly those noted above, are observed without exception and if it is noticed that there is any deviation, the same shall be forthwith brought to the notice of this Court.
7. The Committee constituted pursuant to the order of this Court shall continue to monitor the functioning of the anti-ragging committees and the squads to be formed. They shall also monitor the implementation of the recommendations to which reference has been made above.
8. It is necessary that parents/guardians of fresher's assume responsibility for promptly bringing to the notice of the Principal any instance of ragging.

    - c. There shall be 5% weightage for regularity in attending lectures (including interactive and tutorials, and the credit for regularity in each paper, based on attendance, shall be as follows:  
**More than 67% but less than 70% - 1 mark,  
70% or more but less than 75% - 2 marks,  
75% or more but less than 80%- 3 marks,  
80% or but less than 85%- 4 marks,  
85% and above- 5 marks**

[Medical certificates shall be excluded while calculating credit towards marks to be awarded for regularity, though such certificates shall continue to be taken into account for the purpose of calculating eligibility to appear for examinations as per the existing provisions of Ordinance VII.2.9.(a)(ii).]

- d. There shall be a Moderation Committee for Internal Assessment in each College, discipline-wise, which shall comprise of the senior most teacher in the department, the teacher-in-charge of the department and the previous teacher-in-charge of the department: provided that if, for any reason, the membership of the Committee falls below 3, the Principal of the college shall nominate suitable members from among the teachers of that department/college to fill the vacancies.
3. With the introduction of Internal Assessment, the maximum marks for the University Examination in each paper shall stand reduced accordingly.
4. The promotion criteria shall be as per the existing Ordinances for University Examinations, as applicable to respective courses. In addition, the same criteria shall apply to the total of the University Examination and the Internal Assessment, taken together.
5.
  - i. There shall be a Monitoring Committee for Internal Assessment at the University level consisting of the Dean of Colleges as the Chairperson along with three other Deans one of whom shall be a member of the Executive Council, and the Controller of Examinations as Member-Secretary. The Committee shall monitor the receipt of Internal Assessment marks from various colleges and ensure timely compliance. If a College fails to submit the Internal Assessment marks in time, the University shall not declare the result for such a course in that College. The responsibility for non-declaration of the result of any course in the college in such circumstances will be solely that of the college.
  - ii. There shall be a Monitoring Committee for Internal Assessment in every College, which shall be chaired by the Principal of the College and will be made up of the Vice-Principal (and in case there is no Vice-Principal, the Bursar), Secretary Staff Council, and two senior faculty members to be nominated by the Principal. This Committee shall be responsible for the entire process of Internal Assessment in the College, including redressal of grievances, if any.
6.
  - i. In the case of students who repeat one or more paper(s), or all papers of Part I or Part II or Part III, the Internal Assessment marks shall be carried forward.
  - ii. In the following special cases, in lieu of Internal Assessment, students shall be awarded marks (for the previous years' papers) in the same proportion as the marks obtained in that paper in the University Examination: (a) Students who migrate from other Universities to the University of Delhi in the IInd Year; (b) Students who fail in the Part I Examination of Honours Courses and join Pass/General Courses in the IInd year; and (c) Students who transfer from 1st year Pass/General Courses to Honours Courses in the 2nd year. (iii) Students who migrate from non-formal streams in the University of Delhi (i.e. School of Correspondence Courses and Continuing Education, Non-Collegiate Women's Education Board and Non-Formal Education Cell, formerly External Candidates Cell) to the Regular stream and vice versa, shall carry as such the marks obtained in the preceding year(s).
7. Tutorials shall be held regularly for the post-graduate courses of the University by the concerned Department in cooperation with Colleges; and at least 25% marks shall be assigned for Internal Assessment in each paper of the post-graduate courses. The Internal Assessment in the post-graduate courses may be based on regularity and attendance; class tests and house examination; and written assignments, projects/term papers/seminars/ fieldwork. Post-graduate courses where the weightage of Internal Assessment is 25 per cent or more, Departments may continue with the existing schemes.

8. In the case of a student who is selected as a member of the N.C.C. to participate in the annual N.C.C. Camps or is deputed to undertake Civil Defence work and allied duties, or in the case of a student who is enrolled in the National Service Scheme and is deputed to various public assignments by or with the approval of the Head of the institution concerned, or a student who is selected to participate in sports or other activities organized by the Inter-University Board or in national or international fixtures in games and sports approved by the Vice-Chancellor, or a student who is required to represent the University at the Inter-University Youth Festival, or a student who is required to participate in periodical training in the Territorial Army, or a student who is deputed by the College to take part in Inter-College sports, fixtures, debates, seminars, symposia or social work projects, or a student who is required to represent the College concerned in debates and other extra-curricular activities held in other Universities or such other activities approved by the Vice-Chancellor, the following provision will apply:

**12. Passing and Promotion Rules for all the Under-Graduate Courses under Choice Based Credit System (CBCS) shall be as under:**

### 12 (i)

- a. A student who appears in an odd semester examination or who was eligible to appear in the odd semester examinations but remains absent in any or all the papers of the said semester, shall move on to the next even semester irrespective of his/her result in the said examinations.
- b. **Passing Rules:** The results shall be prepared on the basis of the formula prescribed at Table „A“ with the computation of grade cut off.
- c. **Promotion Rules:** A student shall be eligible for promotion from 1<sup>st</sup> year to 2<sup>nd</sup> year/III semester provided he/she has passed 50% papers of I and II semester taken together and similarly for promotion from 2<sup>nd</sup> year to 3<sup>rd</sup> year/V semester.
- d. The students shall be declared fail as per the formula prescribed in **Table ‘A’**. However, they shall have the option to retain the marks in the paper in which they want to retain.
- e. **Eligibility for award of degree:** A student shall be declared eligible for degree provided he/she passed all the papers of 1<sup>st</sup> year, 2<sup>nd</sup> year and 3<sup>rd</sup> year of a course as per clause 12(3) of Ordinance IX.

### **Division Criteria**

A student shall be categorized on the basis of the combined result of Semester I to VI Examinations as follows: (based on the Conversion Formula for final Percentage)

- **60% or more (all papers should be passed)** - **First Division**
  - **50% or more but less than 60% (all papers should be passed)** - **Second Division**
  - **Less than 50% and declared passed (all papers should be passed)** - **Third Division**
- f. A student who wants to reappear for improvement of marks in a paper prescribed for Sem I/III/V may do so only in the semester examinations to be held in November-December. A student who wants to re-appear for improvement in a paper prescribed in semester II/IV/VI may do so only in the examinations to be held in May/June.

## 12(2) Reappearance for Improvement

- a. A student may re-appear in any theory paper prescribed for a semester, on foregoing in writing her/his previous performance in the paper/s concerned. This can be done in the immediate subsequent semester examination only (e.g., a student re-appearing in paper prescribed for Semester examination may do so along with subsequent semester III examination and not along with papers for semester V).
- b. A student who has cleared examinations of third academic year (V and VI semester) may reappear in any paper of V or VI semester only once, at the immediate subsequent examinations on foregoing in writing her/his previous performance in the paper/s concerned, within the prescribed span period. (**Note:** the candidate of this category will not be allowed to join any post graduate courses)
- c. In the case of reappearance in paper, the result will be prepared on the basis of candidate's current performance in the examinations.
- d. In the case of a candidate, who opts to reappear in any paper/s under the aforesaid provisions, on surrendering her/his earlier performance but fails to reappear in the paper/s concerned, the marks previously secured by the candidate in the paper/s in which she/he has failed to reappear shall be taken into account while determining her/his result of the examinations held currently.
- e. Re-appearance in practical/internal assessment shall not be allowed.
- f. All papers of Core, Elective, AECC and SEC shall be for 100 marks each and 25 marks shall be for internal assessment.
- g. Examination for practical wherever applicable shall be based on continuous evaluation.
- h. Duration of end semester theory examinations of core and elective subjects shall be of three hours
- i. The entire evaluation process for AECC and Skill Enhancement Courses (SEC) shall be undertaken by each college where the AECC and SEC are being taught and the teacher responsible for the conduct of learning of the AECC and SEC shall be responsible for the evaluation.
- j. There shall be no internal assessment in practical papers.
- k. There shall be no supplementary examinations.

## 12(3) Letter grades and grade points

- a. (a) A student who becomes eligible for the degree as per Ordinance IX, 12(1). Such a student shall be categorized on the basis of the combined result of semester I to semester VI examinations under CBCS on a 10 point grading system with the following Letter Grades as given below:

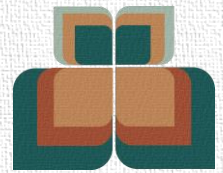

Letter Grade	Grade Point
O (Outstanding)	10
A+ (Excellent)	9
A (Very Good)	8
B+ (Good)	7
B (Above Average)	6
C (Average)	5
P (Pass)	4
F (Fail)	0
Ab (Absent)	0

**Issue of Transcripts:** Based on the grades earned, a Grade Certificate shall be issued to all the registered students by the University after every semester and a consolidated transcript indicating the performance in all semesters. The Grade Certificate will display the course details (code, title of the paper, number of credits, grade secured) along with SGPA of each semester and CGPA earned based on overall six semesters.

The percentage shall not be displayed on the Grade Certification/Transcript. Only the formula approved for the conversion of CGPA into percentage will be displayed on the Grade Certificate/Transcript.

# IMPORTANT ORDINANCES

The results for the all the Undergraduate courses under the CBCS shall be based on a 10 point grading system with Letter Grades as per the formula prescribed by the University Grants Commission with minor changes in the computation of the grade cut offs as at Table 'A' below:

**TABLE 'A'**

Letter Grade	Numerical Grade	Formula	Computation of Grade Cut off
O (Outstanding)	10	$m \geq \bar{X} + 2.5 \sigma$	the value of $\bar{X} + 2.5 \sigma$ to be taken into account for grade computation will be Actual $\bar{X} + 2.5 \sigma$ or 90% whichever is lower
A+ (Excellent)	9	$\bar{X} + 2.0 \sigma \leq m < \bar{X} + 2.5 \sigma$	the value of $\bar{X} + 2.0 \sigma$ to be taken into account for grade computation will be Actual $\bar{X} + 2.0 \sigma$ or 80% whichever is lower
A (Very Good)	8	$\bar{X} + 1.5 \sigma \leq m < \bar{X} + 2.0 \sigma$	the value of $\bar{X} + 1.5 \sigma$ to be taken into account for grade computation will be Actual $\bar{X} + 1.5 \sigma$ or 70% whichever is lower
B+ (Good)	7	$\bar{X} + 1.0 \sigma \leq m < \bar{X} + 1.5 \sigma$	the value of $\bar{X} + 1.0 \sigma$ to be taken into account for grade computation will be Actual $\bar{X} + 1.0 \sigma$ or 60% whichever is lower
B (Above average)	6	$\bar{X} \leq m < \bar{X} + 1.0 \sigma$	the value of $\bar{X}$ to be taken into account for grade computation will be Actual $\bar{X}$ or 50% whichever is lower
C (Average)	5	$\bar{X} - 0.5 \sigma \leq m < \bar{X}$	the value of $\bar{X} - 0.5 \sigma$ to be taken into account for grade computation will be Actual $\bar{X} - 0.5 \sigma$ or 40% whichever is lower
D (Pass)	4	$\bar{X} - \sigma \leq m < \bar{X} - 0.5 \sigma$	the value of $\bar{X} - 1.0 \sigma$ to be taken into account for grade computation will be Actual $\bar{X} - 1.0 \sigma$ or 30% whichever is lower
F (Fail)	0	$\bar{X} - \sigma > m$	-

- (i) In those undergraduate courses under the CBCS, where the total number of students is upto 30, the results in Grades shall be prepared on the basis of the actual performance of the student in the percentage scale and not on the basis of the formula approved for computation of grades.
- (ii) The formula for calculating the final percentage of marks will be as follows: - CGPA based on overall six semesters X 9.5
