DEPARTMENT OF COMPUTER SCIENCE
REPORT

Industry Academia Technical Talk

On,

"Artificial Intelligence: Future Trends and Opportunities"

KEY HIGHLIGHTS:

DATE: 8th October 2023

TIMINGS: 11:00 AM to 1:00 PM

VENUE: ROOM 412, 4th floor

NO OF PARTICIPANTS: 100

SPEAKER:

Speaker: Prof. Shikha Mehta

Department of CSE/IT, IIIT

► 20 Years of teaching experience.

► 3 patents, 26+ publications, 33 talks delivered, 21 international conferences.

Teacher-In-Charge: Dr. Anuja Soni

Covenors of the Event:

Dr. Anuja Soni, Dr. Sujata Khatri

Sanganika, the computer science society of Deen Dayal Upadhyaya College, organized an Industry Academia Technical Talk under the aegis of Deeksharambh on the subject of "Artificial Intelligence: Future Trends and Opportunities". The session featured Prof. Shikha Mehta, a highly accomplished expert from the Department of CSE/IT at JIIT, who boasts an impressive 20 years of teaching experience, three patents, 26+ publications, 33 delivered talks, and 21 international conferences.

The workshop commenced with a fundamental introduction Artificial Intelligence, followed by in-depth insights into Generative AI, Machine Learning and Deep Learning. Participants gained a comprehensive understanding of AI, its significance, and its perpetual activity on the global internet within a single minute.

The workshop emphasized on growing influence of AI in industries like healthcare, finance, manufacturing, and education, driving automation, improving decision-making, and unlocking new business models. Furthermore, research areas and challenges that academia and industry must address collaboratively, such as ethical AI, data privacy, explainability, and AI governance was highlighted.

The session proved highly engaging, with students actively participating, raising queries, and enhancing their knowledge. Prof. Shikha Mehta's expertise and engaging delivery captivated the audience, leaving them with valuable insights into the world of artificial intelligence.

Certificates were presented to the speaker, Prof. Shikha Mehta and the organizing committee as a token of appreciation and recognition for their contributions.

Conclusion:

The Industry Academia Technical Talk on "Artificial Intelligence: Future Trends and Opportunities" organized by Sangnika was a resounding success. Students not only gained valuable knowledge but also actively participated, making the session highly interactive and educational. This event sets a promising precedent for Sangnika's commitment to organizing such talks in the future, providing students with opportunities to enrich their understanding of cutting-edge technologies and their practical applications. These initiatives will undoubtedly benefit the students and contribute to their holistic education.

The poster is for an event titled "Industry Academia Technical Talk ON 'ARTIFICIAL INTELLIGENCE: TRENDS AND FUTURE PROSPECTS'" presented by Sangnika, Deen Dayal Upadhyaya College, University of Delhi. The speaker is Professor Shikha Mehta, Department of Computer Science Engineering, Jaypee Institute of Technology. The event is scheduled for 8th October 2024 at 11 AM in Room 412. It includes an in-depth conversation talk and an engaging Q&A session. The poster also mentions Prof. (Dr.) Hem Chand Jain as the Officiating Principal and Dr. Anuja Soni as the Teacher-In-Charge. A quote from Professor Mehta reads: "The possibilities are endless. Let's create a future where AI benefits humanity." The poster features logos for Sangnika, Deen Dayal Upadhyaya College, and Jaypee Institute of Technology, along with a gear icon and wavy lines at the bottom.
