Sanganika - Department of Computer Science of Deen Dayal Upadhyaya College, organised an **Orientation programme** for Students of **BSc(H) Computer Science & BSc Physical Science(Computer Science) Sem-I** , under the **convenorship of Dr. Sujata Khatri** on 2nd November, 2022 from 10:00 am to 12:00 pm. Dr. Sujata Khatri gave a warm welcome to the fresher's followed by a presentation by Dr. Anuja Soni. The presentation introduced the students to their respective course content, the various technical societies offered by the college. The event boasted the esteemed presence of our entire teaching faculty hailing from **The Department of Computer Science. Dr. Anuja Soni**, captivated the audience with her interactive **presentation**, ensuring both clarity and active engagement.

A total of 48 students, along with a few parents attended the session. An extensive orientation session was meticulously organized to acquaint the incoming students of the Computer Science Stream with the intricacies of their academic journey. This comprehensive session **encompassed vital aspects, including the course structure, syllabus breakdown, timetables, college regulations, code of conduct, and an insightful overview of pivotal college experiences.**

To provide invaluable firsthand insights, **senior members of the Sanganika Council** were given a platform to impart their treasured experiences to the newcomers. Post-presentation, an open forum was thoughtfully conducted, **allowing the new students and their parents to voice any queries or concerns.** This platform served as an invaluable opportunity for teachers and senior students from the department to offer comprehensive resolutions, fostering a warm and welcoming atmosphere.

The programme ended up with a very **good engagement** and **positive feedback** was received from the students.
