REPORT

INDUSTRY ACADEMIA TALK On "Crafting Documents with Overleaf" Under SCIENCE DAY, 2024

KEY HIGHLIGHTS:

DATE: 28th February, 2024

TIMINGS: 11 AM

VENUE: CS LAB 1, 4TH FLOOR, Deen Dayal Upadhyaya College

NO OF PARTICIPANTS: 37

SPEAKER:

Suyash Mehra – 3rd year B.Sc.(h)C.S.

Om Aryan – 3rd year B.Sc.(h)C.S.

Teacher-In-Charge:

Dr. Anuja Soni

Workshop Coordinators:

Dr. Anuja Soni

Dr. Sujata Khatri

Sanganika, the computer science society of **Deen Dayal Upadhyaya College**, organized a workshop titled "Crafting Documents with Overleaf: A Hands-On Workshop on creating Industry Level Professional Documents using LaTeX" in collaboration with **Science Foundation**. The event took place on the occasion of Science Day, aiming to enhance participants' document crafting skills using LaTeX.

The workshop was held on 28th February 2024, commencing at 11:00 am in CS Lab 1, 4th Floor. Participants were encouraged to register via the provided link to secure their spots for the workshop.

The session, conducted by students of the Department of Computer Science, focused on equipping attendees with the fundamentals of LaTeX document preparation and effective navigation of Overleaf's interface. Additionally, advanced techniques for creating professional-quality and industry-level documents were explored during the workshop.

The workshop provided a practical and interactive learning experience, catering to both beginners and seasoned users of LaTeX. By the end of the session, participants emerged equipped with the knowledge and confidence to utilize Overleaf and LaTeX effectively for their academic, professional, and personal projects.

For any queries regarding the workshop, participants were directed to contact Suyash Mehra and Om Aryan, the designated resource persons for the event.

CONCLUSION:

Overall, the workshop proved to be a valuable opportunity for attendees to enhance their document crafting skills and leverage the capabilities of LaTeX and Overleaf effectively. Sanganika's commitment to organizing such events demonstrates its dedication to empowering students with essential technical skills and knowledge.

This workshop sets a promising precedent for future initiatives aimed at enriching students' understanding of technology and its practical applications.
