## ***FRESHERS'2024-25***

**Date:** 29 Jan 2025

**Time:** 11:00 AM – 1:00 PM

**Venue:** Room 115

The Electronics Department successfully organized a departmental freshers' event to welcome the new students with enthusiasm and warmth. The event, held from 11:00 AM to 1:00 PM in Room 115, was filled with engaging activities, interactive sessions, and captivating performances.

### **1. Welcome**

The event commenced with a formal welcome address by the senior students and faculty members. The Head of the Department greeted the freshers and encouraged them to actively participate in academic and extracurricular activities.

## 2. Ice-breaking Session

To help freshers feel comfortable and integrated into the department, an ice-breaking session was conducted. This session included introductions, fun facts, and light-hearted conversations that helped bridge the gap between seniors and juniors.

## 3. Interactive Games

### (1st, 2nd, and 3rd Year Students)

Various interactive games were conducted that involved students from the 1st, 2nd, and 3rd years. These games encouraged teamwork, bonding, and a spirit of fun. Some of the games included tongue-twister, Chinese whispers, memory challenges, and group tasks.

## 4. Poetry by a 2nd-Year Students

A highlight of the event was a beautiful poetry recitation by a 2nd-year student, Rehan, who joined the department as a fresher. Rehan's poetry captured the excitement and emotions of stepping into a new academic journey, leaving the audience mesmerized with his heartfelt words and expressive delivery. His composition resonated deeply with both students and faculty, evoking nostalgia and inspiration.

## 5. Games for the Titles of Mr. and Mrs. Freshers

The much-awaited contest for Mr. and Mrs. Freshers added to the excitement of the event. The freshers participated in various tasks, including talent showcases and fun challenges, to win the prestigious titles.

## 6. Performances by 1st-Year Students

The freshers displayed their talents through singing and dance performances. Their enthusiasm and energy added vibrancy to the event, making it an unforgettable experience for everyone present.

## 7. Title and Award Distribution

Following the contests and performances, the event proceeded with the announcement of winners for various categories, including Mr. and Miss. Freshers. Gifts were distributed to recognize outstanding performances and participation, making the event even more memorable. Mr. Gautam and Miss. Chandni were the finalist for Mr. and Miss. Freshers of the event.

## Acknowledgments

We express our sincere gratitude to the Organizing Committee **Prof. Neeraj Tyagi (TIC Department of Electronics)**, and all faculty members, and Special thanks to first year students for making this event a memorable one.
