Alumni Lecture Series - IC2025_1
(Interact and Connect 2025)

Date: 30 Jan 2025
Platform: Google Meet
Organized by: Department of Electronics
Speaker: Ashutosh Mishra
(Doctoral Researcher (MEXT Scholar) Space Robotics Laboratory, Tohoku University, Japan)

Report by:
Students, III Year

❖ Introduction

The Electronics Department of Deen Dayal Upadhyaya College successfully organized an Alumni Meet on 30 January, 2025 to bring together a distinguished alumnus and current students. The event aimed to strengthen alumni relations and provide mentorship opportunities for students.

❖ Objectives

- To reconnect with our esteemed alumnus and celebrate their achievements.
- To facilitate interaction between the alumnus and current students for guidance and career advice.
- To create a platform for mentorship and networking.

❖ Event Highlights

1. **Welcome Address:** The event commenced with a welcome speech emphasizing the importance of alumni engagement in shaping the future of students.
2. **Alumnus Interaction and Experience Sharing:** Our distinguished alumnus, **Ashutosh Mishra**, shared their experiences, insights, and success stories, inspiring students to explore different career paths.
3. **Mentorship Session:** A dedicated mentorship session was held where the alumnus provided guidance on career choices, higher studies, industry expectations, and skill development.
4. **Q&A Session:** Students actively participated in an open discussion where they posed queries related to career opportunities, internships, and industry trends. The alumnus provided valuable insights and solutions.
5. **Networking and Closing Remarks:** The event concluded with an informal networking session, allowing students to interact with the alumnus on a personal level. The closing remarks were delivered by **Prof. Poonam Kasturi**, thanking all attendees for their participation and contribution.
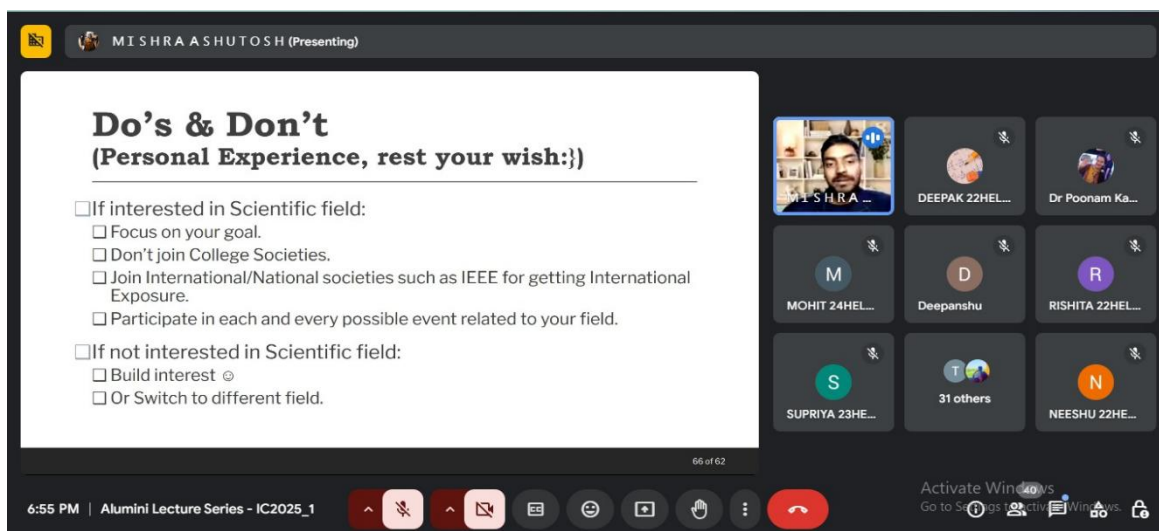

❖ Acknowledgments

We express our sincere gratitude to our alumnus for his time and invaluable insights.
Special thanks to the Organizing Committee **Prof. Neeraj Tyagi (TIC Department of Electronics), Prof. Poonam Kasturi (Alumni Committee Member)** and all faculty members, and students for making this event a memorable one.
