Dear Parent

I am glad to share that our college has been ranked 9th and 13th in all India in 2017 and 2018 respectively in National Institute Ranking Framework (NIRF) survey - College Category conducted by Ministry of Human Resource and Development (MHRD), Govt. of India.

NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC) is an autonomous body established by the University Grants Commission (UGC) of India to assess and accredit institutions of higher education in the country. Accreditation by NAAC will elevate the profile of your institution and affirm that it meets high standards of education, welfare and good management practice. The accreditation will also help to reassure students that the institution is a good choice, and that you will provide them with professional teaching, valuable qualifications and a positive learning experience.

As our college shall be undergoing NAAC Re-accreditation next year so your valuable feedback on the Institutional Resources will help us in improving the quality of our Institute and making it a better place for students.
