

Standard guidelines for the Departments/Conveners of Society for procurement of goods and hiring of service *(For detailed instructions, please refer to the GFR 2017(General Financial Rules) with its time to time amendments).*

I. Before finalization of any purchase proposal, the following aspects may be ensured:

- Requirement of the item of purchase must be justified considering its available stock position, technical knowhow of its operation, available space for its functional installation and relevancy with the working of the department/societies/units.
- In case of purchase against existing stock in the dept./units, working condition of the same along with condemnation status must be referred to in the proposal.
- Estimated cost must be worked out by the indenting dept. /units while initiating any purchase proposal. Do not indicate a requirement for a particular trademark, trade name or brand.
- Approval of specifications (if any) by the technical members / technical committee /purchase committee must be attached with the proposal.
- Ensure availability of funds-do not place supply order without funds. Availability of the funds with the dept. must be reflected in the purchase proposal.
- Administrative Approval & Expenditure sanctions by the competent authority can be proposed after providing the above details.

II. Purchases can be carried out by GeM (Government e Marketing) or by eProcurement tendering System on CPP Portal (Central Public Procurement). **As per the provisions of Rule 149 of GFR 2017, it is stated that “The procurement of goods and services by the Ministries or departments will be mandatory for the Goods or Services available on GeM”**

Procurement in the college is done through Government e-market place. This is the process to procure goods or services through GeM.

1. Approval from the head of the institute for the purchase.
2. Parameters like location of the vendor, item specs, make, model etc. as required and approved from the respective Department are checked for the availability on GeM. If available,
 - a. Direct purchase is done upto Rs.50,000/-.
 - b. If the total value of the Item is more than Rs. 50,000/- and upto Rs. 10,00,000/-, the said item is purchased from the L1 vendor, and the Comparative Sheet is prepared by selecting 3 different OEMs or purchased through bidding or RA if the requisite specifications are not met with in the listed item.
 - c. If the total value of the item is more than Rs.10,00,000/-, Bidding or RA (Reverse Auction) is the only option to make purchase.
3. After receiving material in good condition, CRAC (Consignee Receipt & Acceptance Certificate) is generated.
4. Bill for payment is sent to the concerned Accounts Section. Payment to supplier is made electronically (RTGS/NEFT) as per Institute norms.
5. After making payment, detail of the same is uploaded on GeM portal.

- III.** Goods can be procured by Proprietary Article Certificate (PAC) buying, after taking approval of competent authority and bid submissions will be only for the selected make and model. Multiple make and model selection is not allowed at the same time.
- IV.** If the item could not be procured on GeM/ or by e- Tender then under special circumstances, requisitioned/ buyer should obtain the approval of the Principal giving the suitable justification for the same.
- V.** For goods / services not available on GeM, non-availability report should be generated.
