

**Report of Alumni Interaction organized on November 10, 2022
under Aryabhata Science Forum ASF and student induction
program Deeksharambh.**

Venue – Room 111, Department of Physics, DDUC (11:00 a.m. -1:00 p.m.)

Date – 10th November 2022

Event Name: ALUMNI INTERACTION- Talk

Total number of spectators: - 55+

Under the aegis of Aryabhata Science Forum ASF and student induction program Deeksharambh, Alumni Interaction was conducted on 10th November 2022. It was a highly appreciated event and enjoyed by all the attendees. A talk was delivered by our college alumnus, Hitesh Garg, a senior research fellow, currently pursuing his integrated Ph.D. from Institute of Mathematical Sciences Chennai, India after graduating from our college in 2018. He is doing his research work in soft condensed matter. During the session, he apprised about his research work and enlightened students about research from the scratch and the practical challenges faced by the graduate students. He interacted with students and cleared apprehensions of students regarding steps to be taken after graduation to pursue quality research. He guided the attendees about the upcoming challenges in today's physics research fields. The talk highly benefitted the students and ended with a vote of thanks by the teacher in charge Dr. Nupur Verma. The meet added a new dimension and zeal to the scientific thought process of the attendees.
