

A group of 45 students and 3 teachers went to adventure trip to Triund and McLeod Ganj (Himachal Pradesh) from 23rd January to 28th January, 2023 under the guidance of the convener, Mr. Anil Kumar, Associate Professor, Department of Computer Science along with Dr. Rakesh Kumar and Ms. Tanuja. The participants of the trip gathered at the college gate at around 8 p.m. on 23rd of January and waited for the bus to come. We headed to our destination after receiving the necessary guidance from our Conveners. After having a journey of roughly fifteen hours, we reached our hotel on 24th Jan. Soon after we were allotted our respective rooms, the lunch was served. We did a local sightseeing and returned to enjoy the fabulous DJ organized by the hotel on the advice of our council. It was a treat to see everyone dancing and interacting with each other. The breakfast was served and it was decided that Instead of the trek, everybody would gather in small groups and go to see local places e.g., BhagsuNag Waterfall, BhagsuNag Temple, McLeod Ganj Market, Tsuglagkhang Monastery and many more. We had a small bonfire in the night of the same day followed by dinner. Everybody woke up with a new gusto on 26th Jan and got ready for the most awaited trek. Fortunately, weather was suitable and bright sunshine was flooding everywhere. The trek was a 5 to 6 hour of moderate to difficult climb. The Conveners decided not to send everybody to the hill top due to severe snow and as a result, only a group of 17 students were allowed to climb further. The tent location was set up and everybody rested over there. After the dinner, a bonfire was arranged where people sat, sung and narrated horror stories. We went to our tents by midnight and slept in such a chilly weather which dips to -3 degree celsius. It was a different experience altogether. The next day i.e., 27th everybody got up early in the morning and we headed back to the hotel. After an hour or two, we left the hotel for our bus. We started our journey back to Delhi at around 1 in the afternoon. It was sad to leave but everybody was filled with lovely memories. After a long journey, it was decided to stop at Amrik Sukhdev (Haryana) for a meal. Then we finally reached Delhi at around 5 in the morning of 28th. The whole trip was a unique experience as it allowed students to live out of their comfort zones and gave splendid memories to everyone.
