Dear Colleagues

### Creating a ResearcherID

You can request a ResearcherID by visiting <http://www.researcherid.com/#rid-for-researchers> and providing your name, institution, role, and variants of your name that you have used.

If your publications are generally indexed by Web of Science, you might consider creating a ResearcherID account as well as an ORCID. It's easy to transfer information between the two profiles, including the list of publications from Web of Science. By having a ResearcherID, you can review variants of your author name to collect all of your publications together in Web of Science for inclusion in ORCID.

Kindly see the video : <https://www.youtube.com/watch?v=Hn7lXnCPZp8>

With regards
