Report

Just after the Orientation program (held in the college auditorium and address by the Principal), the students of B.Sc.(H) first semester and B.Sc. Physical Sc. with chemistry, along with their parents were requested to assemble in room no. 013, where the staff members of chemistry department welcomed them. Teacher In Charge of chemistry department, Dr. Vinod Kumar introduced the other faculty members of the department to parents as well as students. Dr. Vinod Kumar, Dr. K.K. Jha and Dr. Sachin Mittal apprised and acquainted them about the functioning of the chemistry department. Finally, all the staff members along with students and parents visited the laboratories and classrooms to have a glance of the chemistry department.
