

Induction Programme Part Two was held on 7th September 2018.

In the morning session, the inaugural lecture of HCMS for this session 2018-19 of Deen Dayal Upadhyay College (Department of Mathematics) was delivered by Dr. S.K. Pant on “How to think Mathematically”. In this talk he started with some known results of our school days and then generalised those results. The venue of the talk was Room. 421 of our college. The afternoon session was the official fresher party. The amazing dance performances, melodious songs and mesmerising tunes stole the show.
