On the basis of above, one may conclude that following are necessary for improving the Rank in next edition of NIRF.

1. We have to maintain a healthy student-teacher ratio this year also. Allocated Budget should be utilized by all departments/subject/student societies.
2. Publication in Journals indexed in Scopus and Web of Science should be increased. Author Affiliation in all publications should be "Deen Dayal Upadhyaya College, University of Delhi"
3. Number of Patent filing and research project funding to be strengthened.
4. Executive/Faculty Development Programs to be organized (at least ONE by each Department)
5. Certificate Programs to be initiated by Departments and IQAC.
6. Scholarship offered (under different Government schemes) for socially challenged students (i.e. SC/ST/OBC/Minorities) to be strengthened and all eligible students should avail the same.
7. Number of National Level Workshops/Seminars etc should be increased to improve public perception.
8. Number of Placements has to be strengthened significantly.
9. Alumni Meet to be organized at Department Level in order to maintain data for Graduating Students Admitted Into Top Universities/Higher Education Institutes

You are most welcome to suggest initiatives to be taken up by the college to improve the Rank of the College.

**Kindly give your valuable suggestions by April 10, 2018 so that the same can be taken up in next meeting of IQAC.**
