Dear Colleagues

I would like to share some of the points which we shall be discussing in the next IQAC meeting.

On the basis of [https://www.ugc.ac.in/pdfnews/9018607\\_Action-Plan-17-by-17.pdf](https://www.ugc.ac.in/pdfnews/9018607_Action-Plan-17-by-17.pdf)

## **DIGITAL INITIATIVES FOR HIGHER EDUCATION**

### SWAYAM Prabha DTH channels

Buy Free Dish for accessing SWAYAM Prabha Channels: Every VC may instruct buying of the DD Free Dish from the market (costs about Rs. 1400 one-time cost only) and configure these channels in their office first; and later install in as many class-rooms as possible. Mandate other affiliated colleges: The same message may be given to all the affiliated institutions for setting up these channels and operationalising them immediately.

### National digital library

Join the NDL: All institutions and the affiliated colleges may immediately join the National Digital Library at <https://ndl.iitkgp.ac.in/>. This will help students to access more than 80 lakh digital resources at no cost. Universalise access: PI ensure that all the students login and join the NDL. While doing the class work/assignments, they may be asked to use these resources.

National Digital Payment Mission: Every institution should move towards a complete digital payment system in their campus covering all transactions by the institution. The digital payment modes like BHIM App should be introduced to all students and commercial establishments on the campus, including the canteens.

### Unnat Bharat Abhiyaan

Every institution to adopt atleast 5 villages and help in translating their knowledge for the use of the rural poor.

### Innovation drives

Students may be encouraged to think out-of-the-box and arrive at solutions that are innovative. For this competitions may be organised for all students covering various areas. Every institution should try to participate in the hackathons that are being organised by various agencies, apart from Govt.

### Plan for future:

Every institution should plan for the future. They should constitute a group within the campus for preparing the following:

- a. A 15-year vision: to determine where the institution would like to be.
- b. A 7-year strategic plan: to work out medium term plans to reach there
- c. A 3-year action plan: for immediate improvement of the quality of learning.

I seek opinion from all colleagues on the above mentioned points, so that the same can be discussed in the next IQAC

With regards

Dr. Manoj Saxena
