MESSAGE FROM THE PRINCIPAL

Dear Students,

Welcome to Deen Dayal Upadhyaya College, an institution started in 1990 by the Govt. of NCT of Delhi in the name of the great thinker, philosopher and social reformer - Pt. Deen Dayal Upadhyaya ji. I must complement you for joining a college which is ranked 13th in India amongst the category of colleges by National Institutional Ranking Framework (NIRF) Survey-2018 conducted by Ministry of Human Resource Development (MHRD). Even the India Today Survey-2018 has ranked our college 11th in the Science Stream and 17th in the Commerce Stream pan India.

Over the next three years you will have ample opportunity to explore your potential and achieve excellence in your chosen area of specialization. The 26 Societies - Debate, Dramatics, Music, Environment, NSS - to name a few, will help you in community development and building soft skills. Those pursuing science will have enough options from Robotics to Data Science and nano-chemistry to DNA finger printing for practical learning through the support received from DBT Star College Scheme. You will have the option to go in for internship programs to industry or Scientific Organizations so as to develop higher levels of skills. You may also help school students by conducting workshops for them in your college to give them a similar exposure.

We would like to sensitize all our students towards social and environmental issues. As our social responsibility we have been following the Government's policy for Swacha Bharat Mission wherein our students have adopted villages and slums to work on summer internship projects. The objective of these internships is to improve the outlook of the residents towards hygiene and cleanliness. Through 'Ek Bharat Shreshtha Bharat' Abhiyan students get an opportunity to interact with people of diverse cultures during the exchange programs.

We have a green campus with rain water harvesting, sewage treatment plant, solar power generation of more than 500 KW per day and solar water heater. All this coupled with world class infrastructure provides an excellent teaching learning environment in the College. Make the best use of all these facilities and go ahead full throttle.

My good wishes for your bright future and a wonderful experience of your stay in the college.

About Us

Deen Dayal Upadhyaya College made its beginning in a school building at Karampura in 1990. The staff and students kept struggling for the want of space and appropriate infrastructure. Despite all odds the College created a niche for itself in the University and the city of Delhi. Having focus on both academic and co-curricular activities, the College achieved the unique distinction of being ranked 13th in India in the NIRF survey conducted by MHRD for the session 2017-2018 for the colleges section. For the past five years consecutively, the College is being ranked 8th/9th in Delhi and between 35 to 42 in India by Nielsen survey conducted by the India Today Group. But this year our College has been ranked 11th in Science Stream and 17th in Commerce Stream pan India. In Delhi, in Science Stream it has been ranked at 6th position.

"Star College Scheme" has been initiated by Department of Biotechnology (DBT), Govt of India to support colleges and University departments offering undergraduate education to improve science teaching. The programme aims to improve the skills of teachers by organising faculty training, improved curriculum and emphasis on practical training to students by providing access to specialised infrastructure and consumables. In 2018, DBT under Star College Scheme has sanctioned a sum of Rs 1.04 crores for three years for strengthening of Life Science and Biotechnology Education and Training at undergraduate level for five departments of our college i.e. Botany, Zoology, Chemistry, Electronics and Mathematics. In order to organize Faculty Development Programs for teachers on cutting edge technologies, the College has signed aggrements with ICT Academy, a non-profit Government supported organization, i3indya Technologies and Zyego, a wellness company.

We began the session 2016 at our new campus at Dwarka in a state of the art building. All our class rooms, most of the laboratories, faculty rooms, library, cafeteria and offices are

air conditioned. We have both boys' as well as girls' hostels, each having a capacity of 90 students. With 100 percent power back up, the campus is fully Wi-Fi enabled. It has many features of a green building such as rain water harvesting, sewage treatment plant, water recycling plant, solar power, solar heater etc. It has enough space for parking of more than 600 cars.

The College also has a sprawling centrally air conditioned library running through three floors. A computer centre, well furnished auditorium, two Seminar rooms, departmental research laboratories, gymnasium and facility for indoor squash court and badminton court are some additional facilities. All the lecture theaters and lecture rooms are also air conditioned.

We have always believed in the proverb, "Institutions are built by human beings and not by brick and mortar". Keeping this in mind we shall continue to strive for making DDUC the best educational institution in the country.

Alumni association of the College endeavors to facilitate and foster mutual interaction between the Alumni and the present students, and among Alumni themselves. It further promotes education, literature and other similar kind of activities through Association by way of prizes, scholarships etc.

PARENT CONTACT PROGRAM

An Orientation Program for the fresh batch of students is organized every year before the opening of the new session to apprise them and their parents about the value systems and traditions of the College. This program enables them to meet the faculty members and helps the students to get acquainted with other important aspects of college life. The parents can also meet the principal with prior appointment.

ENTREPRENEURSHIP DEVELOPMENT CELL (EDC)

EDC of the Department of Management Studies was established with an objective to inculcate proficiency for business & innovation in the minds of budding entrepreneurs through regular interactive sessions and activities.

It was indeed a proud moment for the department to organize the 7th Edition of the annual business convention Ecclesia'17. The convention revolved around the theme: India's Edge over the World. The Chief Guest was the Hon'ble Minister for Human Resource Development of India, Sh. Prakash Javadekar. The event was further glorified by the presence of the Vice Chancellor of Delhi University, Prof. Yogesh K. Tyagi and the Dean of FMS, Prof. M.L. Singla.

EDC also conducted interactive panel sessions with successful entrepreneurs like Mr. Atul Bansal, President – Finance at M3M, Mr. Amit Munjal, CEO of Doctor Insta, Mr. Prabhakar Tiwari, Founder of The Margdarshak, Mr. Divij Goyal, Founder of Shoppist, Mr. Narender Kumar, Co-Founder, Trupay and Mr. Karan Saharan, Founder of Done Thing where they talked about their journey as entrepreneurs and about their future plans.

SCIENCE FOUNDATION

Science foundation was constituted with an aim of popularizing science among undergraduate students. It organizes interactive and motivational lectures by eminent personalities in scientific field to encourage students. It strives to create a nurturing and scientific learning environment among students by organizing hands-on workshops and providing them an exposure to various scientific techniques and equipments.

The session 2017-18 is hallmarked with the grand lecture workshops on "Women in Science" and "Women in Science: A Career in Science" (graced by eminent women scientists of India), "Trans-disciplinary Areas of Research and Teaching by Shanti Swaroop Bhatnagar Awardees" (DST sponsored), and "VHDL programming and Digital Circuit Designing". The Faculty Development Program on "Research Based Pedagogical Tools (RBPTs)" was also organized by the foundation. The Outreach program- "Workshop on Ionic Equilibrium through Experiments" was organised for school students to motivate them to pursue science as a career.

The foundation also organizes technical visits to prestigious research institutes to let students develop an interest in research. It caters to queries and apprehensions of young minds about research prospects in future and inspires them to take up research as their career.

ROBOTICS CLUB

Robotics club aims to create interest amongst students about the recent trends in technology. It deals with the design, construction, operation, structural disposition, manufacture and application of robots. It mainly focuses on stimulating the learning of students by organizing hands on workshops for them. The "Firebird V", "Getting started with Arduino" and "Make your Own Bot" were greatly applauded workshops. Robotics club has represented our College in various intercollege events and competitions and has brought many laurels to the College. The latest and the prestigious one includes the second position in the event 'Maze of Theseus' in Invictus 2018, the technical festival of Delhi Technological University. The club celebrated its achievements with the technical annual festival RoFSoc 2018, wherein the winners were offered an internship at JNU.

SANGYAAN- THE QUIZZING SOCIETY

Sangyaan is an initiative of Student Activity Board for organizing and encouraging participation of students in Quiz events. It endeavors to kindle intellectual fervor among students by providing them various platforms at intra- and inter-college level as well as inter University and National level. The- students have won many prizes

and have been the finalists in major National level and University Level Quizzes over the last 3 years. In the session 2017-18, the society also organized a lecture on "Working towards a Career in Journalism and Mass Communication".

RAAGA: THE DANCE SOCIETY

Under the guidance of trained professionals, students get a chance to shape up and showcase their hidden talent of dance. It enhances dancing skills of interested students in different genre viz. free style, western, classical, fusion etc. The choreography team actively participates in various Intracollege / Intercollege / Outstation cultural events and competitions throughout the year. The team has brought laurels to the College by winning a number of positions in inter- college competitions held across Universities such as BITS Pilani, IIT Kanpur, Panipat Institute of Engineering and Technology, etc. The third prize at the annual festival of AIIMS, Pulse 2018, is worth mentioning.

RHAPSODY (NEE RHYTHM): THE MUSIC SOCIETY

Rhythm is dedicated to arouse interest of students in both western as well as Indian classical music. The College has well equipped Music room where students get a chance to develop their musical skills and play instruments like guitar, drum set, musical synthesizer, flute, harmonium, table and other instruments. Commissioner South Zone on Women related Issues in 2018.

COLLEGE MAGAZINE

To unlock the abundant latent creative treasure amongst students the college brings out its annual bilingual magazine 'Reflections'. It provides a platform to students to express their views in the form of essays, articles, paintings and poems.

STUDENT ACTIVITIES

KALAMKAAR: THE LITERARY SOCIETY

The art of writing is as much necessary in academia as reading. There is a passionate urge in the mind- the need to express. Without expression the mind is a full vessel, a sponge saturated- new ideas, new knowledge and learning can easily flow off and go waste. With an aim of fostering the creative potential of expression amongst students, KalamKaar organizes literary activities viz. creative writing, poetical recitation both at intra- and inter-college level. It encourages students to unleash their creativity by participating in these activities. The society also provides a live platform to the creative expression of students, a wall magazine where students display their writings, sketches and paintings on regular basis.

In the session 2017-18, under the niche of KalamKaar, a plethora of events were organized such as the poster making competition (in collaboration with Indian Spinal Injuries Center) on the theme "Disability is Not Inability", creative writing in Hindi and Urdu, an online initiative- Open Charcha and Let'sTalk- to discuss some of the regular issues of day to day life followed by the Intercollege Festival –AURORA.

THE PHOTOGRAPHY CLUB

The photography club lays emphasis on enhancing the photography skills of students under the guidance of professionals. It organizes an eight weeks workshop to help students to learn both theoretical and practical aspects of day as well as night photography. The best-clicked photographs are exhibited during annual festival of the College.

In the academic session 2017-18, the photography club was christened as "POLAROID". A photowalk to Chandini Chowk, an outdoor activity for the students to experiment with their equipment, was organized. The members also captured the special moments of a number of Intra College activities all throughout the year. Some of them even covered the events organized by other colleges of University of Delhi. Throughout the year, the society organized a number of competitions as a part of various college events. The members participated in inter college photography competitions organized by other Colleges of University of Delhi as well.

VOICES: THE DEBATING SOCIETY

'Voices' is an eminent Society of the college with a long standing tradition of excellence. It provides plethora of opportunities for students by organizing various events like 'Just a Minute', Parliamentary Debates, discussions etc. It not only endeavors to polish their communication skill but also enhances their self-confidence. It holds intra- and inter-college debates to build the techniques of argument and adjudication. Like last year, this year too students brought the appreciations by winning Annual Parliamentary Debates of institutions affiliated to different Universities like IIT Delhi, Amity Law School and Symbiosis Law School. In January 2018, the society also conducted a successful annual Intra-College Parliamentary Debate.

ADVENTURE CLUB

The aim of the adventure club is to nurture sense of belongingness, social etiquettes along with fun, camaraderie and adventure. To accomplish its goals, adventure club organizes trekking cum adventure trip to various destinations like Valley of Flowers, a UNESCO World Network of Biosphere Reserves. Students from various disciplines are encouraged to participate and enjoy the beauty and variety of natural flora and fauna.

MENTORING AND COUNSELLING COMMITTEE

This committee initiated a good practice in the college last year by organizing a series of group counselling sessions for the staff and students of the college. These counselling sessions were conducted in collaboration with trained experts and psychologists from a wellness company Zyego.

The counsellors are experienced in creating awareness and providing tips on emotional wellbeing and conflict resolutions. The response to these interactive group sessions have been very encouraging with the participation of about 50 teachers and about 300 students in the last 5 sessions. The sessions were based on the following topics and were well received.

➢ The Spaces we create together: a session exclusively meant for the teaching faculty.
➢ Relations on a ship
➢ Emotional abuse in relationships
➢ Impact of social media on relationships
➢ Body Image: Issues Impact & Management

FIN-S CLUB: Craft To Understand Financial Solvency

Keeping in mind that financial education is as important as an academic qualification for students across various disciplines, Fin-S, the Finance Society was constituted. To accomplish its goals the students are involved in interactive sessions, quizzes and discussions on basic aspects and concepts of Finance. The session 2017-18 was marked with an enriching talk of an eminent entrepreneur and the inspiring initiatives like "FinArt", "FinFact" & "WordsWorth" briefing The Economic Times. It concluded with the annual finance festival, Finanza, in February 2018.

THE MODEL UNITED NATION (MUN) CLUB

MUN of Model United Nations is a simulation of the organs of the United Nations in the student arena. It is a concept where students from different schools, colleges and universities across the world gather as delegates of different countries and act as members of the United Nations to discuss and debate the crucial issues that exist around the world. Over the years, DDUC MUN has become one of the most prestigious MUN of Delhi circuit with pan India participation of more than 150 teams. DDUC MUN's Eighth edition was organized in February 2018. A total of five MUN committees were hosted namely, United Nations General Assembly (UNGA), United Nations Commission on the status of Women (UNCSW), United Nations Security Council (UNSC), Organisation of American States –Organisation for Security and Cooperation in Europe (OAS-OSCE): Joint Stakeholders Meet and International Press (IP) this session.

STUDENT ACTIVITIES

ECO-CLUB

The main purpose of the Eco club is to make students aware about environmental issues. A number of activities such as excursions to National Parks, Lectures, Cleanliness drive, quiz etc. are organized to motivate students to think that if we cannot sustain environment we cannot sustain ourselves. Eco club caters to the need of the hour by making youth from various disciplines aware about various challenges to biodiversity, the environmental laws and conservation strategies.

Eco-club's 2017-18 session marked it's beginning with a Film Screening on "Conservation of Natural Resources" followed by Poster Making competition, on the same theme. The club participated in 'Global Wildlife Program Conference' on the theme "People's Participation in Wildlife Conservation" organized by the Ministry of Environment Forest and Climate Change in association with the World Bank and UNDP. Eco Club was invited to be a part of "9th CMS Vatavaran", Asia's largest International Film Festival and Forum on Environment and Wildlife. In the College, Eco Club and NSS jointly organized 'Green Diwali'. An excursion was also organized to Naddi, Dharamshala this year.

NATIONAL SERVICE SCHEME (NSS)

NSS is primarily dedicated to chanelize the energies and capabilities of youth towards community service, upliftment of society and hence nation building. Every volunteer devotes some time teaching children in nearby slums.

In the session 2017-18, NSS volunteers participated in the second International Day of Yoga organized by the NSS center, University of Delhi, and welcomed the Queen of Thailand and foreign dignitaries. They also participated in the Promotion and Awareness of the Health Scheme of the Government of NCT, Delhi to provide free tests and surgeries to needy people. With many such events organized by NSS throughout the year, its annual fest-PEHAL- was celebrated with the children of orphanage and slum.

VIVEKANANDA STUDY CIRCLE

"Arise, Awake and stop not till the goal is reached." Inspired by Swami Vivekananda's Everyone is potentially divine and the aim of education is to manifest the divinity already in the man, the "Vivekananda Study Circle (VSC), Deen Dayal Upadhyaya College" in collaboration with the Rama Krishna Mission, Delhi Branch aims at motivating the students and encouraging them to achieve the impossible. As an academic society, it mainly focuses on the holistic development of the members. It is a personality development initiative where students analyze, critique and put forward constructive criticism on various topics through presentations, group discussions and public speaking. The topic ranges from the newly formed policies to the latest technology invented. The main source of inspiration for the members pours in from the lives of eminent personalities of India, who have not only served the Nation, but also set forth an example for generations to come.

To commemorate the birthday of Swami Vivekananda "Samarth Bharat Saksham Bharat" was presented by the society members in January 2018 where the chief guest were Shri. P.K. Mishra, Ex. ADG BSF.

GANDHI STUDY CIRCLE

Gandhi Study Circle encourages students to imbibe Gandhian Values and thoughts through different activities in collaboration with the Gandhi Bhawan of University of Delhi. The activities include Lectures by famous personalities to inspire students and visits to places like Sabarmati Ashram to experience selfless service based on Gandhian Philosophy. During 2016-17, it celebrated International Yoga day during which students, staff, faculty and residents in nearby locality participated in the Yoga session starting with Yoga prayer and did the Yogasans under the supervisions of a Yoga Expert.

WOMEN DEVELOPMENT CELL (WDC)

The role of women is of utmost importance as they are active independent contributors to the socio-economic growth of society. To sensitize students on the issues related to women WDC of the college organizes various activities.

In the session 2017-18, WDC conducted interactive sessions and group discussions on the issues like Triple Talaq, crime against women, menstrual myths/hygiene, puberty, adult education discriminatory practices against women in different religions and medical termination of pregnancy and maternity law. The lectures on the issues like 'Women in Industries-Tussles and Triumphs', "Women and Travel", Article 35A by the women entrepreneurs, educationists and lawyers were organized. DIRECTIVES OF THE HON'BLE SUPREME COURT OF INDIA ON ANTI-RAGGING

Ref. : Directives of the Supreme Court of India dated May 16, 2007 in SLP No(s) 24295 of 2006 University of Kerala Vs Council, Principal's, Colleges, Kerala & Ors (with SLP(C) No. 24296-99/2004 & WP. (Crl) No. 173/2006 and SLP(C) No. 14356/2005) and Civil Appeal No. 887 of 2009 dated May 8, 2009.

The Hon'ble Supreme Court of India admitted and heard the above referred SLPs in relation to the menace of ragging in Technical Institutions/Universities/ Colleges in the Country.

In this connection a committee headed by Dr. R.K. Raghavan, Former Director of CBI, for giving specific recommendations on effective prevention of ragging in educational institutions was constituted by the apex court. Accordingly, the Committee had carried out a very detailed study on the various factors contributing for ragging and collected the public opinion. Further, the committee had submitted a detailed report with suitable recommendations and measures required to effectively curb the menace. The recommendations of the Committee were duly accepted and the following directives have been issued to all the educational institutes for necessary implementation by The Hon'ble Court. The Hon'ble Court issued further orders on the 2nd and 3rd report of the Raghavan Committee also. The salient features of the report / order are summarized below :

I. Factors listed by the Committee

a)   Primary responsibility for curbing ragging rests with academic institutions themselves.

b)   Ragging adversely impacts the standards of higher education.

c)   Incentives should be available to institutions for curbing the menace and there should be disincentives for failure to do so.

d)   Enrolment in academic pursuits or a campus life should not immunize any adult citizen from penal provisions of the laws of the land.

e)   Ragging needs to be perceived as failure to inculcate human values from the schooling stage.

f)   Behavioural patterns among students, particularly potential 'raggers', need to be identified.

g)   Measures against ragging must deter its recurrence.

h)   Concerted action is required at the level of the school, higher educational institution, district administration, university, State and Central Governments to make any curb effective.

i)   Media and Civil Society should be involved in this exercise.

II. Recommendations approved by the Supreme Court

1.   The punishment to be met out has to be exemplary and justifiably harsh to act as a deterrent against recurrence of such incidents.

2.   Every single incident of ragging where the victim or his parent/guardian or the Head of institution is not satisfied with the institutional arrangement for action, a First Information Report must be filed without exception by the institutional authorities with the local police authorities. Any failure on the part of the institutional authority or negligence or deliberate delay in lodging the FIR with the local police shall be construed to be an act of culpable negligence on the part of the institutional authority. If any victim or his parent/guardian of ragging intends to file FIR directly with the police, that will not absolve the institutional authority from the requirement of filing the FIR.

3.   In the prospectus to be issued for admission by educational institutions, it shall be clearly stipulated that in case the applicant for admission is found to have indulged in ragging in the past or if it is noticed later that he / she has indulged in ragging, admission may be refused or he/she shall be expelled from the educational institution.

4.   It shall be the collective responsibility of the authorities and functionaries of the concerned institution and their role shall also be open to scrutiny for the purpose of finding out whether they have takena effective steps for preventing ragging and in case of their failure, action can be taken; for example, denial of any grant-in-aid or assistance from the State Governments.

5.   Anti-ragging committees and squads shall be forthwith formed by the institutions and it shall be the job of the committee or the squad, as the case may be, to see that the Committee's recommendations, more particularly those noted above, are observed without exception and if it is noticed that there is any deviation, the same shall be forthwith brought to the notice of this Court.

6.   The Committee constituted pursuant to the order of this Court shall continue to monitor the functioning of the anti-ragging committees and the squads to be formed. They shall also monitor the implementation of the recommendations to which reference has been made above.

7.   It is necessary that parents/guardians of freshers assume responsibility for promptly bringing to the notice of the Principal any instance of ragging.

ORDINANCE VIII-E *

Internal Assessment

(1) (i) The scheme for Internal Assessment shall be followed in the regular stream only, with exclusions as per the Appendix to the Ordinance, and shall be applicable to the students admitted from the academic session 2003-04 onwards (i.e. to begin with for the first year students) in both undergraduate and postgraduate degree courses. This scheme of Internal Assessment shall not be applicable to the School of Correspondence Course and Continuing Education, Non-Collegiate Women's Education Board and Non-Formal Education Cell (formerly External Candidates Cell). The specific Ordinances pertaining to schemes of examinations of various courses shall stand amended, mutatis mutandis, to the extent of internal assessment as laid down in this Ordinance, subject to exclusions referred to above.

(ii) Internal Assessment marks shall be shown separately in the Marks Sheet issued by the University and these marks shall be added to the annual/ semester examination marks for determining the division of the student.

(2) 25% of the maximum marks in each paper in undergraduate courses shall be assigned for Internal Assessment and the remaining 75% marks for the annual/semester University Examination; the time duration and other modalities of the annual/semester Examination with respect to this 75% component shall remain as per existing schemes of examination for various undergraduate courses.

(i) (a) For the Semester Examination Scheme, there shall be 10% weightage assigned to Class Test (s) Quiz (s) to be conducted by each College, for all subjects in B.A., B.Com. and B.Sc. courses and all papers of the Main Subject in Honours courses.

(c) The University reserves the right to scrutinize some or all the scripts of any paper in any course in a College during the period of retention of papers, Which duration shall be till declaration of results by the University, a copy of the question paper shall be sent to the Examination Branch of the University and the College shall maintain a proper record of the question papers of the House Examination.

(ii) (a) Each student shall be assessed on the basis of written assignments/tutorials as well as on the basis of project reports/term papers/seminars. There shall be 10% weightage for such written assignment; and project reports / presentations/term papers/seminars. Each student shall be given at least one written assignment per paper in each term, subject to a maximum of 12 written assignments per year for all the papers taken together.

(b) Where the maximum marks in a paper are less than 100, for example 50 marks, the nature of written assignments/ tutorial work shall stand adjusted pari passu.

(iii) There shall be 5% weightage for regularity in attending lectures (including interactive periods) and tutorials, and the credit for regularity in each paper, based on attendance, shall be as follows :

More than 67% but less than 70% - 1 mark 70% or more but less than 75% - 2 marks
75% or more but less than 80% - 3 marks 80% or more but less than 85% - 4 marks
85% and above - 5 marks

[Medical certificates shall be excluded while calculating credit towards marks to be awarded for regularity, though such certificates shall continue to be taken into account for the purpose of calculating eligibility to appear for examinations as per the existing provisions of Ordinance VII.2.9.(a) (ii).]

(iv) There shall be a Moderation Committee for Internal Assessment in each College, discipline-wise, which shall comprise of the senior most teacher in the department, the teacher-in-charge of the department and the previous teacher- in-charge of the department: provided that if, for any reason, the membership of the Committee falls below 3, the Principal of the College shall nominate suitable members from among the teachers of that department/ College to fill the vacancies.

ANNEXURE

(3) With the introduction of Internal Assessment, the maximum marks for the University Examination in each paper shall stand reduced accordingly.

(4) The promotion crieteria shall be as per the existing Ordinances for University Examinations, as applicable to respective courses. In addition, the same criteria shall apply to the total of the University Examination and the Internal Assessment, taken together.

(5) (i) There shall be a Monitoring Committee for Internal Assessment at the University level consisting of the Dean of Colleges as the Chairperson along with three other Deans one of whom shall be a member of the Executive Council, and the Controller of Examinations as Member-Secretary. The Committee shall monitor the receipt of Internal Assessment marks from various colleges and ensure timely compliance. If a College fails to submit the Internal Assessment marks in time, the University shall not declare the result for such a course in that College. The responsibility for non- declaration of the result of any course in the College in such circumstances will be solely that of the College.

(ii) There shall be a Monitoring Committee for Internal Assessment in every College, which shall be chaired by the Principal of the College and will be made up of the Vice-Principal (and in case there is no Vice-Principal, the Bursar), Secretary Staff Council, and two senior faculty members to be nominated by the Principal. This Committee shall be responsible for the entire process of Internal Assessment in the College, including redressal of grievances, if any.

(6) (i) In the case of students who repeat one or more paper(s), or all papers of any part or semester, the Internal Assessment marks shall be carried forward.

(ii) In the following special cases, in lieu of Internal Assessment, students shall be awarded marks (for the previous years. papers) in the same proportion as the marks obtained in that paper in the University Examination:

(a) Students who migrate from other Universities to the University of Delhi in the 2nd Year/Third Semester.

(b) Students who fail in the Part I Examination of Honours Courses and join Pass/General Courses in the 2nd year; and

(c) Students who transfer from 1st year Pass/General Courses to Honours Courses in the second year.

(iii) Students who migrate from non-formal streams in the University of Delhi (i.e. School of Correspondence Courses and Continuing Education, Non Collegiate Women's Education Board and Non-Formal Education Cell, formerly External Candidates Cell) to the Regular stream and vice versa, shall carry as such the marks obtained in the preceding year(s).

(7) Tutorials shall be held regularly for the post-graduate courses of the University by the concerned Department in cooperation with Colleges; and atleast 25% marks shall be assigned for Internal Assessment in each paper of the post-graduate courses. The Internal Assessment in the post graduate courses may be based on regularity and attendance; class tests and house examination; and written assignments, projects/term papers/ seminars/ fieldwork. Post-graduate courses where the weightage of Internal Assessment is 25 per cent or more, Departments may continue with the existing schemes.

(8) In the case of a student who is selected as a member of the N.C.C. to participate in the annual N.C.C. Camps or is deputed to undertake Civil Defence work and allied duties, or in the case of a student who is enrolled in the National Service Scheme and is deputed to various public assignments by or with the approval of the Head of the institution concerned, or a student who is selected to participate in sports or other activities organized by the Inter-University Board or in national or international fixtures in games and sports approved by the Vice-Chancellor, or a student who is required to represent the University at the Inter-University Youth Festival, or a student who is required to participate in periodical training in the Territorial Army, or a student who is deputed by the College to take part in Inter-College sports, fixtures, debates, seminars, symposia or social work projects, or a student who is required to represent the College concerned in debates and other extracurricular activities held in other Universities or such other activities approved by the Vice-Chancellor, the following provision will apply:

(i) A student in the categories listed above, will have to fulfil the requirement of written assignments and projects/ term papers / seminars / field-work with the fiexibility, however, that he/she may, if necessary, be allowed additional time for submission of written assignments.

(ii) A student in the categories listed above, who is unable to write the House Examination/Class Test (s) / Quiz(s) on account of his/her participation in such aforesaid activities, may be assessed by the College through an alternative mode. This may be done only in exceptional circumstances.

ANNEXURE

(iii) A student in the categories listed above, will get the benefit of attendance for Internal Assessment for the classes missed as per the existing provisions of Ordinance Vll.2.(9)(a)(i).

(9) (i) The University reserves the right to review, and if necessary moderate the marks in Internal Assessment in any paper/ papers in any College/ Department.

(ii) The respective University Moderation Committees in each subject shall moderate, if necessary, the Internal Assessment marks across Colleges.

Letter Grade	Numerical Grade	Formula	Computation of Grade Cut off
O (Outstanding)	10	$m \geq \bar{X} + 2.5 \ \sigma$	the value of $\bar{X}$ + 2.5 σ to be taken into account for grade computation will be Actual $\bar{X}$+ 2.5 σ or 90% whichever is lower
A+ (Excellent)	9	$\bar{X}+ 2.0 \ \sigma \leq m < \bar{X}+ 2.5 \ \sigma$	the value of $\bar{X}$ + 2.0 σ to be taken into account for grade computation will be Actual $\bar{X}$+ 2.0 σ or 80% whichever is lower
A (Very Good)	8	$\bar{X}+ 1.5 \ \sigma \leq m < \bar{X}+ 2.0 \ \sigma$	the value of $\bar{X}$ + 1.5 σ to be taken into account for grade computation will be Actual $\bar{X}$ + 1.5 σ or 70% whichever is lower
B+ (Good)	7	$\bar{X}+ 1.0 \ \sigma \leq m < \bar{X}+ 1.5 \ \sigma$	the value of $\bar{X}$+ 1.0 σ to be taken into account for grade computation will be Actual $\bar{X}$+ 1.0 σ or 60% whichever is lower
B (Above average)	6	$\bar{X} \leq m < \bar{X}+ 1.0 \ \sigma$	the value of $\bar{X}$ σ to be taken into account for grade computation will be Actual $\bar{X}$ or 50% whichever is lower
C (Average)	5	$\bar{X} - 0.5 \ \sigma \leq m < \bar{X}$	the value of $\bar{X}$ – 0.5 σ to be taken into account for grade computation will be Actual $\bar{X}$ - 0.5 σ or 40% whichever is lower
D (Pass)	4	$\bar{X} - \sigma \leq m < \bar{X} - 0.5 \ \sigma$	the value of $\bar{X}$- 1.0 σ to be taken into account for grade computation will be Actual $\bar{X}$ - 1.0 σ or 30% whichever is lower
