Topic of lecture: *How to excel in chemistry in 21st century: some useful tips*

Total number of participant's: *Students: 190; Teachers: 12*

The Inaugural lecture for the academic year 2018-19 of Deen Dayal Upadhyaya college's chemical society “Covalence” was organized on 20th September, 2018 at 3:00 pm in the college auditorium under the aegis of DBT star college scheme. Professor Ashok Kumar Bakhshi, Vice Chancellor of PDM University, Bahadurgarh, Haryana was invited to deliver the lecture. After the lighting of the lamp and the welcome address by the Principal of the college, Prof. Bakhshi gave the lecture on the topic “How to excel in chemistry in 21st century: some useful tips”. In his lecture he emphasized on developing analytical thinking over mugging up the course. He also discussed about the role of the growing technology and its importance for excelling in future. A number of students of the college along with the faculty members attended the lecture and found it to be very interesting and informative. After the lecture a group photograph was taken and thereafter light refreshments were served.
